**Justification for location the project in forest land and details of
alternatives examined**

M/s Telesonic Networks Limited have got license of IP-1 provider. The scope of IP-1 Provider is limited to establish & maintain assets such as Dark Fibers, Right of Way, Duct Space and Tower for the purpose to grant on Lease/Rent/Sale basis only to the licensed Telecom Service Providers licensed under section-4 of Indian Telegraph Act 1885 on mutually agreed terms & conditions.

With a view to ensure connectivity, company is laying Optical Fiber Cable along the road side as per the agreed policy of Government of India and per GO No. 1485/नौ - 9-2012-161ज/12 dated 15.10.2012 issued by the Chief Secretary, Government of UP.

Since, the Fiber is to be connected end to end between the stretches District Lakhimpur Kheri along with road on Sisaiya-Dhaurhara-Nighasan-Paliya-Dhanauraghat-Puranpur Marg (NH-101) from KM 83.00 To KM 109.40 (On L.H.S.) Total KM 26.40 KM & 0.2760 Ha. In Forest Division/Social Forestry Division Lakhimpur Kheri, District: Lakhimpur Kheri, UP and the same stretch falls under Forest hence the permission to lay Optical Fiber Cable is being required. It is the minimum requirement of Forest land and there is no alternative for this Forest Land.

We have done the survey and find that there is no alternate route available to lay the Fiber and to connect the same with the other end. Hence it is requested that permission may kindly be granted.
