THE SITE

1. Site

The Site for the development, operation and maintenance of Toll Plazas is along the Bhawanigarh - Sunam - Bhikhi - Maur - Kot Shamir - Bathinda (BSBKB) road. With the existing RoW ranging from 35 meters to 45 metres or above, the Government has envisaged the creation of staggered Toll Plazas along the Project Highway at the following locations:

Table -1		
Serial No.	Toll Plaza Location	Toll Plaza Location (Range)
1	Toll Plaza 1	KM 14 to KM 16
2	Toll Plaza 2	KM 48 to KM 50
3	Toll Plaza 3	KM 79 to KM 81

2. Land

Since the existing Project Highway has the RoW ranging from 35 meters to 45 metres or more, there is no requirement for Land Acquisition along the road for the development of the envisaged staggered Toll Plazas. However, if the Concessionaire purchases any extra land for the construction of Toll Plazas or related Project Facilities then the cost shall be fully borne by the Concessionaire. Also, at the end of the Concession Period/ expiry of Concession Agreement, the entire Project Site (including the land purchased by the Concessionaire) shall be transferred back to the Government, at zero cost.
