सु. प्र. नं. ३०८ प्रति सम्बन्धित राज्य परिवहन विभाग, लखनऊ फैक्ट नं. ३०८ - २२६ ०२२ No. ROL/CH/AN/H 330/55/90/2014/1319	

To
The Chief Engineer (NH),
U.P. Public Works Department,
Lucknow-226 001.

Sub: Provisional NOC for access permission to the proposed fuel station of Kva
IOCL on NH-330 (Old NH No. 90) at Km. 132.324, LRS, Village Nainpur, Tehsil
Behawal & District Faizabad in the State of Uttar Pradesh.

Sir,
Please refer to your letter nos. 3504NH/162/2014 dated 21.07.2014, regarding
therewith a proposed for access permission to respect of fuel station mentioned in the subject
above.

2. The above proposal has been examined in this office in light of Ministry's guidelines
issued vide Circular letter no. R99NH-35023/1036-DC-II dated 24.07.2013 and subsequent
clarification dated 06.11.2013 and 18.03.2014. Based on the drawings, photographs and
associated documents as recommended by CE, (NH), UPWD, Lucknow the proposal has been
approved. In particular by the Competent Authority in the Regional Office, Ministry of Road
Transport and Highways, Lucknow. The provisional NOC is being issued in the proposal
subject to the following conditions:

(i) The Provisional NOC shall be valid only upon the successful realisation of the
 requisite fees to the Central Govt. account.

(ii) The drinking water and toilet facilities shall be provided at the fuel station. Such
 facilities shall be accessible to the public round the clock. In order to inform the public
 about these, a retro reflective display board as per format enclosed at Annex-I shall
 be installed at the fuel pump in front of fuel station.

(iii) For drainage, RCC slab culvert with minimum span of 2m shall be provided as per
 IRC SP-12 2004 - "Guidelines for the design of small bridges and culverts". The slab
 culvert shall be constructed with iron casting of adequate strength in the approaches
 for drainage of surface water.

(iv) The Architect/Consultant shall ensure the safety surroundings before and after
 completion of construction work of the site and for the work is done as per approved
 drawings, taking which action will be initiated to block the said Architect/Consultant
 and to de-recognize the fuel station.

Yours faithfully,

(V) The approval is based on the submission made by the Applicant as verified by the State PWD. The Applicant is responsible for the details provided in the application. The Ministry is at liberty to verify the authenticity of the documents at any time. Any misrepresentation, omission or suppression of facts or disclosure of false information detected at any stage shall lead to withdrawal of the approval and loss of the licence.

2. The Oil Company may construct the access to the proposed fuel station, as per approved drawings at their own cost within 6 months of the issue of the Provisional NOC. After the construction as per approved drawings and the satisfaction by EE, Ty. Division (NH-3, PWD, Subangar, along with recommendation of CE (NH-3, PWD), Licencee that the construction work has been carried out in compliance with the provisions approved, the issue of final formal permission including issuance of signed Licence deed may be considered. In case the construction is not done in one year of the issue of the provisional NOC, the same shall be deemed to be cancelled, unless renewed by the Competent Authority. The concerned Oil Company would be allowed to re-engage the fuel station only after the final approval by the Competent Authority.

4. The fresh Licence deed duly indicating new NH No. along with charges, in two originals, as per the standard format given in Ministry's circular dated 24th July, 2013, drawn on new stamp paper and duly signed by authorized signatory may be furnished at the time of issue of final permission.

5. In view of the above, a copy of drawing layout and drainage plan is approved by the Competent Authority is being enclosed herewith for taking further necessary action.

End: As above

Yours faithfully,

(Signature)
