

(ii) Cost of the Project :

The Project that is Construction of Link road to to Vill. Chebri Km RD 0/00 to 1/015 has been appear under the Scheme PMGSY estimated cost of Rs. 37.29 Lacs only. Time period for completion of the work Was allowed as 1 year .

(iii) Justification for Location the Project in Forest Area :

The alignment of construction of Existing Link road to to Vill. Chebri Km RD 0/00 to 1/015 under PMGSY has been finalized keeping in view the all beneficial and positive factors connectively location/situations of the target inhabitants for transportation and traveling facility.

The location of target village is such that there is no alternate alignment possible except the Existing alignment which can avoid upto maximum extent, the use of forest land for the construction of the said road. Also there was non Forest/Govt. Land other than the Forest/Private Land available land in the area for the said constructed of the road, therefore the use of the forest land for the Project i.e. Existing Link road to to Vill. Chebri Km RD 0/00 to 1/015.

As such the location of the Project in the forest land is justified and the existing alignment (R) of the said road was finalized.
