

**FULL JUSTIFICATION FOR LOCATING THE LAYING OF PIPELINE IN FOREST
AREA (UN-AVOIDANCE OF THE FOREST AREA FOR THE PURPOSE)**

The U.Kothapalli village having 2006 population as per 2011 census and the habitation drinking water is dependent on ground water. The ground water sources 6 nos existing, due to scanty rains for the last 5 years, the sources are yielding less. At present four sources are dried up even the sources are deepened. To overcome this scarcity of drinking water problem two sources are established at a distance 4.70 KM away from the village where the ground water is sufficient.

For the reason "Augmentation of PWS Scheme to U.Kothapalli village of Dhone mandal" in Kurnool Dist was administratively sanctioned for Rs 22.00 lakhs by the Collector and District Magistrate Kurnool under SDP program for Laying of Pipe line from Gosanipalli to U.Kothapalli village to mitigate Drinking water problem.

Part of the pipe line passes South Dhone Reserved Forest Compt.No.235, Chintalapeta, Beat, Peapully Section of Dhone Range of Kurnool Division, Kurnool district and there is no alternative path for the same except this path.

The Details of forest area diverted is as:- 0.14 Ha.
