“JUSTIFICATION FOR LOCATING THE PROPOSED PROJECT IN FOREST AREA”

3.26 Hect. of forest land is required for C/O Dhani to Kharli Road K.M. -0/0 to 9/345 under P.M.G.S.Y. District- Bilaspur, H.P. For the construction of this project 3.26 Hect. of forest land is required to be diverted.

Alternative alignments were examined but some are not technically feasible because in the alignment large no of trees are come in the alignment & required more land and rejected. The proposed road necessarily passes through forest land because there is no non forest land is available. Hence there is no escape from using the forest land.
