Hyderabad

Dear Sir,

Sub: Construction of 400KV D/C Power Transmission Line from Hindupur to Kadapa- Submission of
the proposal under section 2 of F (C) Act 1980- Reg.

We, POWER GRID CORPORATION OF INDIA LIMITED (A Government of India Enterprise) is entrusted by Ministry of Power, Govt. of India with the construction of 400KV D/C Hindupur- Kadapa Transmission line under the System Strengthening- XXIV in Southern Region scheme vide letter dated 19th June 2015 (copy of letter enclosed with the proposal). This line plays vital role in evacuation of power from the proposed Mega Solar Power Project⁶ at Kadiri in Ananthapur Dist. in AP State.

The proposed transmission line is crossing the Niggadi Reserve Forest (5.327 Ha) in Ananthapur division, Ananthapur district and Pandikunta, Idupulapaya Redcherla, Idupulapaya Redcherla Extn & Ganganapalli Reserve Forest 18.377 Ha in Kadapa Division, Kadapa District. All efforts were made by using Modern survey techniques to avoid forest lands, but, we could not avoid the forest lands totally and the proposed crossings are unavoidable and barest minimum.

Hence, it is proposed to divert 24.204 Ha Forest land for Construction of 400 kV D/C Hindupur-Kadapa Transmission line in the interest of public.

The forest crossing proposals (07 sets) of 400 KV D/C Hindupur- Kadapa Transmission line are herewith submitted under Section 2 of F (C) act 1980 for favourable consideration.

Thanking you,

Yours Faithfully,
For POWERGRID

(Signature)
