Subject: Diversion of 34.98 ha. of forest land in Karwar and Honnavar Divisions of Uttar Kannada District for construction of vented barrage across the river Gangavali at Honnalli to supply additional drinking water to towns of Karwar and Ankola towns, e-route villages and project sea bird in favour of the Executive Engineer, Karnataka Urban Water Supply and Drainage Board, Karwar -reg.

Sir,

I am directed to refer to the State Government's letter No. FEE 10 FLL 2020 dated 18/03/2020 and 22/10/2020 seeking prior approval of the Central Government under Section'2' of the Forest (Conservation) Act, 1980 for the above project.

The proposal was examined by the Regional Empowered Committee constituted under sub-rule (1) of rule 4A of the Forest (Conservation) Rules, 2003 in its meeting held on 03/11/2020.

After careful examination of the proposal of the State Government and on the basis of the approval of the Regional Empowered Committee, in-principle approval /Stage-I clearance of the Central Government is hereby granted for diversion of 34.98 ha. of forest land in Karwar and Honnavar Divisions of Uttar Kannada District for construction of vented barrage across the river Gangavali at Honnalli to supply additional drinking water to towns of Karwar and Ankola towns, e-route villages and project sea bird in favour of the Executive Engineer Karnataka Urban Water Supply and Drainage Board, Karwar, subject to fulfillment of the following conditions:-

**A: Conditions which need to be complied prior to handing over of forest land by the State Forest Department.**

1. The User Agency shall transfer online, the Net Present Value (NPV) of the forest land being diverted under this proposal, as per the orders of the Hon'ble Supreme Court of India dated 28.03.2008, 24.04.2008 and 09.05.2008 in Writ Petition (Civil) No.202/1995 and the guidelines issued by this Ministry vide its letter No. 5-3/2007-FC dated 05.02. 2009. The requisite funds shall be transferred through online portal into CAMPA account of the State Concerned;

2. The identified non-forest land for raising compensatory afforestation shall be transferred and mutated in the name of forest department and notified as RF/PF prior to Stage II approval;
  3. The land identified for the purpose of CA shall be clearly depicted on a Survey of India topo sheet of 1:50,000 scale;
  4. The User Agency shall transfer the cost of raising and maintaining the compensatory afforestation at the current wage rate in consultation with State Forest Department in the account of CAMPA of the concerned State through online portal. The scheme may include demarcation of non forest land using chain link fencing with provision for watering and SMC works and appropriate provision for anticipated cost increase for works scheduled for subsequent years;
  5. All the funds received from the user agency under the project shall be transferred/deposited in CAMPA account only through e-portal (<https://parivesh.nic.in/>). Amount deposited through other mode will not be accepted as compliance of the Stage-I clearance.
  6. The compliance report shall be uploaded on e-portal (<https://parivesh.nic.in/>).
  7. The complete compliance of the FRA, 2006 shall be ensured by way of prescribed certificate from the concerned District Collector;
  8. The boundary of the diverted forest land shall be demarcated on ground at the project cost, by erecting four feet high reinforced cement concrete pillars, each inscribed with its serial number, distance from pillar to pillar and GPS co-ordinates;
  9. Violation of any of these conditions will amount to violation of Forest (Conservation) Act, 1980 and action would be taken as prescribed in para 1.21 of Chapter 1 of the Handbook of comprehensive guidelines of Forest (Conservation) Act, 1980 as issued by this Ministry's letter No. 5-2/2017-FC dated 28.03.2019;
- B: Conditions which need to be strictly complied on field after handing over of forest land to the user agency by the State Forest Department but the compliance in form of undertaking shall be submitted prior to Stage-II approval:**
1. Legal status of the diverted forest land shall remain unchanged;
  2. Compensatory Afforestation shall be raised over equal identified non-forest land (NFL) land within three years from the date of Stage –II Clearance and maintained thereafter by the State Forest Department at the cost of the User Agency and at least 1000 plants per hectare shall be planted over identified non- forest land within three years of grant of final approval. If it is not possible to plant so many saplings in the area identified for CA, the balance saplings will be planted in any other forests as per prescriptions of approved working plan with provision for ten years on subsequent maintenance. Plantation of the tree species, which are affected due to submersion, shall be raised

in the non-forest land identified for CA. The area identified for CA shall be planted with tall seedlings with provision for watering and SMC works to ensure faster growth.

3. Atleast 10% of the available water in the dam should be allowed to flow downstream for sustenance of aquatic life. The user agency shall furnish an undertaking to this effect.
4. No trees shall be cut in the submerged area. The user agency shall furnish an undertaking to this effect.
5. At the time of payment of the Net Present Value (NPV) at the then prevailing rate, the User Agency shall furnish an undertaking to pay the additional amount of NPV, if so determined, as per the final decision of the Hon'ble Supreme Court of India;
6. The period of diversion under this approval shall be co-terminus with the period of lease to be granted in favour of the user agency or the project life, whichever is less.
7. The User Agency shall obtain the Environment Clearance as per the provisions of the Environmental (Protection) Act, 1986, if required;
8. No labour camp shall be established on the forest land and the User Agency shall provide fuels preferably alternate fuels to the labourers and the staff working at the site so as to avoid any damage and pressure on the nearby forest areas;
9. The forest land proposed to be diverted shall under no circumstances be transferred to any other agency, department or person without prior approval of the Central Government;
10. No damage to the flora and fauna of the adjoining area shall be caused;
11. The layout plan of the proposal shall not be changed without the prior approval of the Central Government;
12. The concerned Divisional Forest Officer, will monitor and take necessary mitigative measures to ensure that there is no adverse impact on the forests in the surrounding area.
13. The user agency shall explore the possibility of successful translocation of maximum number of trees identified to be felled and shall ensure that any tree felling shall be done only when it is unavoidable and that too under strict supervision of the State Forest Department;
14. The User Agency shall submit the annual self -compliance report in respect of the above stated conditions to the State Government and Integrated Regional Office, Bangalore by the end of March every year; and
15. The user agency shall comply all the provisions of the all Acts, Rules, Regulations, Guidelines, Hon'ble Court Order (s) and NGT Order (s) pertaining to this project, if

any, for the time being in force, as applicable to the project.

After receipt of compliance report on fulfilment of the conditions mentioned above, the proposal shall be considered for final approval under Section-2 of the Forest (Conservation) Act, 1980. Transfer of forest land shall not be effected till final approval is granted by the Central Government in this regard.

Yours faithfully.
