HEIGHTS & CONTOURS IN METRES

CONTOUR INTERVAL 20 METRES

Where features are shown in blue where they generally contain water:
 • Cultivated areas are coloured yellow.
 • The exterior boundaries of areas of Reserved or Protected forests are shown by dashed or stippled lines.
 • Reserved or Protected forests are shown by blue lines.
 • Other features are shown in blue where they generally contain water.

Contours are approximately 20 metres apart. The approximate height in metres, between the top and bottom of a steep slope, wooded areas are coloured green, scattered trees and other vegetation are in blue, but prominent steeply sloping are in black.

* Not applicable
