FILE NO. : **FP/HP/Others/149727/2021**
DATE OF PROPOSAL :

CHECK LIST SERIAL NUMBER – 9

JUSTIFICATION NOTE

Certified that location of all the civil components of the Parking Place at Dalhousie, is feasible in the forest land only. The Provisions of Chapter IV of the Indian Forests Act, (xvi of 1927), made applicable to all forests land or waste land in Himachal Pradesh which are the property of Government over which the Government has proprietary rights vide Notification No. Ft-29-241-BB/49 dated 25-02-1952. So there is no Non Forest Land except Private Land in the Chamba District. Thus the Parking Place has necessarily to be located in the forest land. Keeping in view the traffic congestion in Dalhousie town, the construction of Parking Place has been proposed to ease out the chocking of roads during tourist season when there is large influx of vehicles in the town. The proposal involves felling of 8 number of trees during the construction of Parking.
