NOTES

Height and Contour have not been shown.
The inter state boundary between Assam and Meghalaya states shown on this map is as interpreted from the North Eastern Area (Regulation) Act 1971 but has yet to be verified.
The district boundary of Ri Bhoi district of Meghalaya state and Kamrup district of Assam state shown in this map is as interpreted from Govt. of Meghalaya notification No. 19P/56/105 dated 04.06.92 but has yet to be verified.
The names and boundaries of subdivision of Ri Bhoi district have not been shown for want of reliable information.
The forest boundaries of mylliem reserved forest and mylliem protected forest have not been shown for want of reliable information.
All other or temporary cultivated areas occur through the jungle. They are normally abandoned after 2-3 years and are not shown.
The area adjoining the Brahmaputra river is liable to change owing to the continuous fluctuation in the course of river which remains usually flooded during rainy season.
Nighting shown in this sheet are community worshipping places.
