## **JUSTIFICATION CERTIFICATE**

We the undersigned hereby justify that The Dorbar Dong Sawmer Shiteng, Upper Shillong, have no land for the construction of the Aganwadi Centre and the Community Hall, since the time of its inception, as the Dorbar Dong owns no plot of land or in a position to purchase one. Hence the plot of land to be allotted by the government through the Forest Department under Khasi Hills Territorial Division, which is situated at 4 ½ Mile Upper Shillong, is the only option and it will be of a great help and a boon to the Dorbar Dong for the construction of the same.
