

Name of the Project: Up-gradation of Katihar-Balrampur Section of SH-98 from Existing Km 0.000 to Km 65.100 in to 2-Lane in Katihar District in the State of Bihar.

JUSTIFICATION FOR LOCATING THE PROJECT IN FOREST LAND

We, "Bihar State Road Development Corporation Ltd. (BSRDCL)", A Government of Bihar Undertaking", proposed for the up-gradation of Katihar-Balrampur section of SH-98 from existing Km 0.000 to Km 65.100 into 2-Lane in Katihar District in the State of Bihar. The widening and up-gradation is proposed on the land adjacent to the existing road. The plantation and area within the existing ROW of Canals, Mahananda Bund and Existing ROW of SH-98 from Km 48.000 To Km 65.100 (17.075 Km length) is notified as Protected Forest, which is required for the widening of existing road. The Widening of the existing Road section of SH-98 is proposed keeping in view of increased traffic load and in the interest of public. Proposed road widening is not possible without use of the existing RoW land (notified Protected Forest) adjacent to the project road. The requirement of protected forest land is barest minimum and no other alternative option is available for the proposed widening of the project road.
