Justification for Hollongi Airport Project for locating near to Forest Land

This airport will give facilitation for passengers in State of Arunachal Pradesh and State of Assam adjacent to Arunachal Pradesh. The Hollongi Airport project is completed it will definitely boost the air transport sector and help in movement of goods and people both from Arunachal Pradesh to Assam and vice versa.

667 acres of land has already handed over by state of Arunachal Pradesh for this project and in order to meet the operational requirement to fulfil the norms of DGCA, straightening of the boundary wall and drainage system, diversion of village road an additional land of 6.435 acres is needed for this project lying in the forest land of Assam. Accordingly the proposal has submitted for needful action.
