Details regarding non-encumbrance Certificate for private land for Compensatory Afforestation

The user agency is engaged in the process of identifying 4.9054ha (in 4 patches) of private land adjoining the Thodupuzha RF near Kaithapara/Maniyathram village, which are located near the project area.

These not-forest lands are proposed to be registered immediately after the recommendation of the Forest Clearance proposal by the State Government.

On execution of the Sale deed, non encumbrance Certificate will be obtained and furnished.
