L.No-2812

dt-24/12/2015.

**Justification for location of line in the forest land**

The 08 (Eight) villages of Chordaha Panchayat in Choupran block are to be electrified under RGGVY scheme under Hazaribag district.

The 11 KV line to feed these 08 villages and some LT lines of the villages shall pass through the forest land and non-forest land also. The alignment of the line has been proposed such that there is minimum involvement of the forest and also there is no alternative to avoid the involvement of forest land in the line.
