### TO WHOM SO EVER IT MAY CONCERN

National Highway Authority of India (NHAI), A Government of India Undertaking has decided to upgrade Manikpur to Sahebganj section of SH-74. The project road starts at design chainage Km 0+000 (Manikpur Village) and ends at design chainage Km 42+800 (Bijdhari Mafi Village) under BRT Scheme that envisages construction of roads by providing NH connectivity to Backward areas/Religious/ Tourist places all over India. The Project road traverses through Paroo, Sahebganj & Kesariya taluk of Muzaffarpur & Purbi Champaran district of Bihar.

As per Notification of Annexure II Published by Government of Bihar, Forest & Environment Department dated 16.02.1994, Trees & Plantations nearby Canal Portions has been declared as Notified Forest. Therefore, upgradation of existing road requires NOC from the Forest Department as per the Forest (Conservation) Act - 1980 [Chapter 11, Para. 11.1 (i) and Para. 11.6].

In this regard, Amresh Kumar Sharma, Project Director (P.D), Project Implementation Unit (PIU) office, Motihari, Bihar, NHAI, Government of India is herewith authorized to make online/offline submission of application for Forest Clearance on behalf of Ministry of Road Transport & Highway.
