Scale 1:50,000

HEIGHTS & CONTOURS IN METRES CONTOUR INTERVAL 40 METRES

Water features are shown in blue where they generally occupy water.
Cultivated areas are coloured yellow.
The general boundaries of areas of Reserved or Protected Forests are shown by green islands.

Contours are approximate.
A double height, 'H', represents the approximate height in metres between the top and bottom of a steep slope.
Wooded areas are coloured green, forested areas and other vegetation are in green, but prominent uncultivated land is in black.

This applies.

The above description is given for general information.
