## Electrification Of Cheenikkala SC Colony

Cheenikkala SC Colony is situated under Kulathupuzha Grama Panchayath (Thinkalkarikkam village) in Kollam district. For the electrification of that area 0.7km LT single phase OH line is to be constructed through the forest land for giving service connection to 20 nos of SC families and there is no other way for drawing the line. Construction of 800m of LT line through the private property is to be done after constructing 700m LT single phase line through forest land. Hence the estimate is taken through the forest land.
