JUSTIFICATION FOR LOCATING THE PROJECT IN FOREST AREA

We want to fix lattice towers for shifting of 33kV Tosham-Sangwan line passing over newly constructed Judicial Court complex Tosham within the jurisdiction of DHBVN against Expression of Interest EOI-18/PD&C/2020-21 (Hr). The electric cable and pole will fix along the road which has been notified as protected forest. Sir there is no more passage falling in the non-forest area for the electric connection, therefore, it is necessary for us to use protected forest land for ingress and egress of our Plant. Total forest land proposed for diversion in only.
