Electrification Of Mottalmoodu Colony

Mottalmoodu Colony is situated under Kulathupuzha Grama Panchayath (Kulathupuzha village) in Kollam district. For the electrification of that area 1km LT single phase UG cable is to be laid through the forest land for giving service connection to 6 nos of families and there is no other way for drawing the line. Construction of 750m of LT line through the private property is to be done after laying 1000m LT single phase UG cable through forest land. Hence the estimate is taken through the forest land.
