Subject:- Justification letter for Forest/Wild Life Land Diversion.

1. The project for construction of road from Shikari to Bhaller, Package No JK14-441, Stage I, Length = 10.71 KM has been sanctioned under Phase X. Some stretches of road pass through the Forest/Wild life areas. The road namely Shikari to Bhaller has takeoff point from village Shikari. The construction of this road will benefit whole population of the area connecting 2 No of habitations of about 1000 souls.
2. Forest/Wild life area cannot be avoided as the alignment proposed is the only feasible alignment providing connectivity to the hamlets.
3. Hence, the diversion of the Forest/Wild life land is the only choice to construct the road.
