

Justification for the project in forest area

The proposed road from is Virudhachalam-kattukudalore road to a length of 1000m and width of 9.0m to convey agricultural product from field to market place through Semakottai RF.

There is no route from Kattukudalore to virudhachalam and this is the shortest one.

Hence the above stretch has to be Formation of road from virudhachalam-kattukudalore road, so as to get riding safely.

Assistant Divisional Engineer (H)
C & M Sub Division,
Virudhachalam.
