Sub: Jagdishpur-Haldia and Bokaro-Dhamra Natural Gas Pipeline (JHBDPL) Phase-II
Project by M/s GAIL (India) Ltd - Environmental Clearance - reg.

Sir,

This refers to your letter dated 1st July, 2019 on the above mentioned subject, seeking review of the clarification for requirement of prior environmental clearance to the above project.

2. After examination of the proposal in terms of the provisions of the EIA Notification, 2006, this Ministry vide letter dated 7th July, 2017 (Annexure-I), has already clarified that the aforesaid project is not covered under the provisions of the said Notification, and thus not requiring prior environmental clearance. Further, it is to inform that vide OM dated 6th September, 2018 (Annexure-II), the Ministry has again clarified that only those projects where the pipeline is passing through national parks/sanctuaries/coral reefs/ecologically sensitive areas, shall be required to obtain the prior environmental clearance.

3. In the instant case, pipeline is reportedly passing through default eco-sensitive zones of Gautam Buddha Wildlife Sanctuary in District Chatra and Hazaribagh Wildlife Sanctuary in District Hazaribagh (Jharkhand). As such, it is to reiterate that the project does not attract provisions of the EIA Notification, 2006.

4. This issues with approval of the competent authority.
