## CARE CREDIT VOUCHER

Sub: Request to release the payment as per CHALLAN

04 NOV 2024

Dear Sir,

Please arrange to make the payment as per the details given below:-

Beneficiary details are as under:

|                      |   |
|----------------------|---|
| Application No:      | 72153017332   |
| Beneficiary:         | MAHARASHTRA CAMPA   |
| Account No.          | 1507872153017332  |
| Name Of the Bank:    | UNION BANK OF INDIA   |
| Address of the Bank: | FCS CENTRE 21/1, III FLOOR, JELITTA TOWER,<br>MISSION ROAD, BENGALURU- 560027 |
| IFSC Code:           | UBIN0996335   |
| Total Amt. (in Rs.)  | Rs. 18,286,724/-  |

Rupees: One Crore Eighty Two Lakhs Eighty Six Thousand Seven Hundred and Twenty Four Only

GAIL has not opted for cheques from bank; therefore, it is requested to debit our current A/c No. 32777301473 to release the above-mentioned payment.

Thanking you,

SBIN 324309388822.

**MINUTES OF THE 78<sup>th</sup> MEETING OF THE STANDING COMMITTEE OF NATIONAL BOARD FOR WILD LIFE HELD ON 22<sup>nd</sup> FEBRUARY, 2024**

The 78<sup>th</sup> meeting of the Standing Committee of the National Board for Wild Life was held on 22<sup>nd</sup> February, 2024 under the chairmanship of Hon'ble Minister for Environment, Forest & Climate Change. The list of participants is placed at **Annexure-I**.

The Member Secretary welcomed the participants to the meeting and informed about the number and type of proposals that were to be taken for discussion in the meeting. He then requested Deputy Inspector General of Forests (WL) to initiate discussions on the Agenda Items.

**AGENDA ITEM No.1**

**78.1. Confirmation of the minutes of the 77<sup>th</sup> Meeting of the Standing Committee of National Board for Wild Life held on 5<sup>th</sup> January, 2024**

The Standing Committee was informed that the 77<sup>th</sup> Meeting of the Standing Committee of National Board for Wild Life was held on 30<sup>th</sup> January, 2024. The minutes of the meeting were circulated vide letter WL-6/16/2024-WL dated 7<sup>th</sup> Feb, 2024 amongst all the members.

The Standing Committee was informed that the Ministry did not receive comments from any of the members.

**Decision Taken:** After discussions, the Standing Committee decided to confirm the minutes of 77<sup>th</sup> Meeting of the Standing Committee of National Board for Wild Life held on 30<sup>th</sup> January, 2024.

**AGENDA ITEM NO 2**  
**Policy, court Matter etc.**

**78.2.1 Implementation of the provisions of the Eco-Sensitive Zone.**

The Standing Committee was informed that the Ministry of Environment, Forests and Climate Change, Government of India notifies Eco-Sensitive Zones around the Protected Areas under Section 3 of the Environment (Protection) Act, 1986. The ministry issues notification and regulates developmental activities within ESZ as per the direction of the Apex Court. The notification of an ESZ contains various provisions but none of them are implemented on the ground. Some of the important provisions in the notifications are:

- (i) Preparation of the Zonal Master Plan for the Eco-Sensitive Zone: Normally ignored by the nodal agency and state governments as Zonal Master Plan is normally not prepared.
- (ii) Availability of resources for implementing an action plan in the ESZ for development, restoration and conservation of habitats in benefits of people and wildlife.

(iii) Monitoring Committee: There is provision of monitoring committee to implement and monitor provisions as mentioned in the notification, but it is non-functional.

(iv) Guidelines: The MoEFCC has provided guidelines which are used for regulating development activities. This needs modification in the present context. Till date, ESZs have not been prepared for many Protected Areas as states are not sensitive for the issues. Also, nodal agencies at Centre Government and State Governments do not take cognizance of the provisions as mentioned in the notification.

He highlighted a specific case of construction of highway in the ESZ of Velavadar National Park. Every year there is death of several blackbucks due to accidents with vehicles. There Zonal Master Plans for all the ESZs should be prepared. The provisions contained in the ESZ notifications are not being implemented. The issues raised herein may be examined.

Dr. Sukumar suggested for the need to move towards landscape level conservation planning. The ESZs are part of broader landscape level planning for conservation in the country. The subject of human-wildlife conflict also requires detailed deliberations. The increase in human-wildlife conflicts was anticipated several years ago. Several important conservation measures have been taken such as increase in protected area network, several policy decisions which have legal ramifications, affects livelihood of people. He suggested for focussed discussions on policy issues for setting the course of conservation in future.

The Chairman mentioned that he has met large number of people, public representatives in Wayanad region. Due to increase in population, infrastructure development, lot of problems are coming up. A meeting should be convened to address the issue of human-wildlife conflict. The State PCCFs and CWLWs may be addressed and their opinions sought on the issues raised by Dr. H. S. Singh and concerns raised by Dr. Sukumar for future discussions in the Standing Committee meetings on policy matters.

**Decision Taken:** After discussions, the Standing Committee decided that the Ministry shall take opinions and suggestions from the State/UT Forest Departments on the landscape level conservation planning, matters related to implementation of provisions contained in the ESZ notifications and human-wildlife conflict issues for discussions in future meetings of the Standing Committee.

### **AGENDA ITEM NO 3**

#### **78.3 (Fresh Proposals falling inside / Outside the Protected Area)**

- 78.3.1** Proposal for use of 40.86 ha of forest land from tiger corridor connecting NagarjunaSagar Tiger Reserve (NSTR) and Sri Venkateswara National Park for development of Expressways, Economic Corridors and inter corridors under Bharatmala Pariyojana Phase- II (Lot-10): Bengaluru- Kadapa- Vijayawada

site inspection and suggesting mitigation measures and adequate management plan for area below the proposed transmission line and therefore decided to defer the proposal for the next meeting.

- 78.3.16** Proposal for use of 3.064 ha of forest land from the tiger corridor connecting Tadoba Andhari Tiger Reserve and Navegaon Nagzira Tiger Reserve for laying of 220 Kv D/C Transmission Line from existing Umred Sub Station to proposed Nagbhid Sub Station Under MSETCL.

**FP/MH/TRANS/44469/2020**

The Standing Committee was informed that the proposal is for use of 3.064 ha of forest land from the tiger corridor connecting Tadoba Andhari Tiger Reserve and Navegaon Nagzira Tiger Reserve for laying of 220 Kv D/C Transmission Line from existing Umred Sub Station to proposed Nagbhid Sub Station Under MSETCL.

The proposal has been recommended by Chief Wild Life Warden, the State Board for Wild Life and the State Government. The NTCA has recommended the proposal.

**Decision Taken:** After discussions, the Standing Committee decided to give in principle approval and decided that a committee shall be constituted comprising of representatives of the Ministry, National Tiger Conservation Authority, Wildlife Institute of India, Maharashtra Forest Department and User Agency for site inspection and suggesting mitigation measures and adequate management plan for area below the proposed transmission line and therefore decided to defer the proposal for the next meeting.

- 78.3.17** Proposal for use of 82.7387 ha (3.2156 ha forest land and 79.5231 ha non- forest land) for underground laying of 18" dia Nagpur- Jharsuguda Natural Gas Pipeline along with OFC Cable across Tiger Corridor connecting Pench Tiger Reserve, Umred Paoni Karandla Sanctuary and Navegaon Nagazira Tiger Reserve and Tiger Corridors of Eastern Vidharbha Landscape in Gondiya, Maharashtra.

**WL/MH/Pipeline/434672/2023**

The Standing Committee was informed that the proposal is for use of 82.7387 ha (3.2156 ha forest land and 79.5231 ha non- forest land) for underground laying of 18" dia Nagpur- Jharsuguda Natural Gas Pipeline along with OFC Cable across Tiger Corridor connecting Pench Tiger Reserve, Umred Paoni Karandla Sanctuary and Navegaon Nagazira Tiger Reserve and Tiger Corridors of Eastern Vidharbha Landscape in Gondiya, Maharashtra.

The proposal has been recommended by Chief Wild Life Warden, the State Board for Wild Life and the State Government. The NTCA has also recommended the proposal. Similar two such proposals have been recommended by the Standing Committee earlier.

Dr. H. S. Singh suggested that the proposal might be recommended.

The Member Secretary, NTCA mentioned that the pipeline would be laid underground.

**Decision Taken:** After discussion, the Standing Committee decided to approve the proposal subject to the following conditions:

1. In Tiger Corridor area, the gas pipeline laying work will be carried out within RoW, during day time only.
2. The user agency should restore the land after use/maintenance.
3. The User Agency should restore any loss to forest/environment.
4. The User Agency will seek permission from State Forest Department for carrying out any maintenance.
5. The User Agency will have to submit NOC from the agency which holds the right to be the right of way.
6. Horizontal drilling machine to be used for pipeline laying work wherever possible.
7. The length of trench dug at a time should not exceed 500 m. which shall be filled up & compacted before digging next stretch of 500 m. to avoid accidental damage to wildlife.
8. While executing the work and thereafter also there should be no violation of provisions Wild Life (Protection), Act 1972, by User Agency or their contractors.
9. User Agency shall deposit 2% of project cost of areas falling in Tiger corridors area for wildlife conservation and management activities of the with Deputy Conservation of Forests & Field Director, Nawegaon- Nagzira Tiger Foundation, Gondia.
10. A contingency plan shall be prepared by the User Agency to manage leakage / any accident which may affect the aquatic birds and ecosystem. The contingency plan shall include:
  - a. Leak detection system to immediately identify the leakages, if any.
  - b. Remote operated valves (ROV) for terminating the pipeline operation and isolation.
  - c. Stopping of pipeline operation and isolation of leaky segment by closing of block valves at Specializing valve (SV) stations.
  - d. Intelligent pigging for monitoring of pipeline defects and maintaining pipeline integrity.
  - e. Impressed Current Cathodic protection to prevent corrosion
  - f. Three layered PE coating on outer surface of the pipeline to prevent external corrosion
  - g. Regular patrolling of the pipeline by Line walkers to prevent any third party incidents.
  - h. In order to have effective control on the pipeline and for its optimum utilization and safety, an appropriate system such as Supervisory Control and Data Acquisition (SCADA) and Applications Software (APPS) package shall be implemented.

11. Dedicated pipeline integrity & maintenance team for monitoring, maintenance and repairs of pipeline along with leak arresting equipment's and machines.
12. No construction material should be procured from within the forest. The pipeline and OFC should be covered with excavated materials after the construction. Construction debris should be disposed of away from the forest by the cost of the user agency.
13. No alteration in the existing drainage pattern should be allowed within the forest for implementing the proposed construction.
14. No blasting should be permitted within tiger corridor area.
15. While laying the pipeline and OFC, the work should be executed in a timely manner simultaneously excavating the trenches and laying the structures so as to minimize the disturbance to wildlife. The user agency should not dig trenches along long stretches and leave them open for several weeks without completion of work.
16. Any future maintenance of the pipeline and OFC would be subject to prior approval of the competent authority of Maharashtra Forest Department.
17. Chief Wild Life Warden, Maharashtra should develop a mechanism for monitoring the compliance of the conditions stipulated herein at various phases of project implementation.
18. An annual compliance certificate on the stipulated conditions shall be submitted by the User Agency to the State Chief Wild Life Warden and an annual compliance certificate shall be submitted by the State Chief Wild Life Warden to Government of India.

**78.3.18** Proposal for use of 16.26 ha of land (0.759 ha of forest land and 15.501 ha of non-forest land) from Tiger Corridor of Eastern Vidarbha Landscape for widening of existing two lane to six lane for construction of bypass of Nagpur-Bhandara road section of NH-53 (Old NH-6) Package between chainage 485.00 to 499.800 in Taluka & District Bhandara, Maharashtra.

**WL/MH/Others/410154/2022**

The Standing Committee was informed that the proposal is for use of 16.26 ha of land (0.759 ha of forest land and 15.501 ha of non- forest land) from Tiger Corridor of Eastern Vidarbha Landscape for widening of existing two lane to six lane for construction of bypass of Nagpur-Bhandara road section of NH-53 (Old NH-6) Package between chainage 485.00 to 499.800 in Taluka & District Bhandara, Maharashtra.

The proposal has been recommended by Chief Wild Life Warden, the State Board for Wild Life and the State Government. The NTCA has also recommended the proposal.

The Chairman enquired if the mitigation measures have been proposed along with the proposal.

The Additional Principal Chief Conservator of Forests (Wildlife) informed that the Wildlife Institute of India has prepared a mitigation plan for the project.

**Sub:** Minutes of 79<sup>th</sup> Meeting of the Standing Committee of National Board  
for Wild Life-reg.

Sir/Madam,

Kindly find enclosed copy of the Minutes of 79<sup>th</sup> Meeting of the Standing  
Committee of National Board for Wild Life held on 31<sup>st</sup> July, 2024 under the  
Chairmanship of Hon'ble Minister of Environment, Forest and Climate  
Change, Government of India.

Yours faithfully,

  
(Dr. Sudheer Chintalapati)  
Scientist 'E'  
Email: adwl-mefcc@gov.in

**Encl:** As above

**Distribution:**

1. Secretary, MoEF & CC
2. DGF&SS, MoEF&CC
3. ADGF (WL), MOEF&CC
4. ADGF (FC), MoEF&CC
5. Member Secretary, NTCA
6. Director/IGF, PE Division, MoEF&CC
7. Director, WII, Dehradun
8. Director, GEER Foundation, Gandhinagar
9. Dr. R. Sukumar, Member, NBWL
10. Dr. H.S. Singh, Member, NBWL
11. Secretary, Environment, Forest, Science and Technology  
Department, Govt. of Andhra Pradesh.

The number of trees which were proposed to be cut down were 1,089 in 2016-17 and as a recent survey by the Deputy Conservator of Forests reported that the number of trees has increased to 9,452. The increase in the number of trees is quite abnormal.

The PCCF (WL) Maharashtra submitted a letter explaining the abnormal rise in the number of trees and to examine the proposal submitted by the User Agency. The PCCF (WL) in pursuance has agreed and endorsed the explanation submitted by the DCF Wadsa.

The explanation given by the DCF suggests that the one of the main reason for increase in number of trees in between the two surveys is due to increased protection as a result of more tiger activity in the area.

Since, the proposed project is located in tiger corridor and was recommended by the Standing Committee on the advice of NTCA as per section 30-O (1)(g) of the Wild Life (Protection) Act, 1972, comments were sought from the NTCA on the request by the User Agency. NTCA has advised NBWL to form a Joint Committee for site inspection including Regional office NTCA, WII, User Agency and Forest Department Maharashtra to re-look into the issue before any further recommendations.

**Decision Taken:** After discussions, the Standing Committee decided that a consultation may be held with the Ministry of Railways and other relevant stakeholders as the no of trees required to be removed is very high and therefore decided to defer the proposal for the next meeting.

#### 79.3.2 Amendment in the minutes of the 78<sup>th</sup> meeting

The Standing Committee was informed that a proposal no. WL/MH/Pipeline/434672/2023 was received from the State Government of Maharashtra for use of 82.7387 ha (3.2156 ha forest land and 79.5231 ha non- forest land) for underground laying of 18" dia Nagpur- Jharsuguda Natural Gas Pipeline along with OFC Cable across Tiger Corridor connecting Pench Tiger Reserve, Umred Paoni Karandla Sanctuary and Navegaon Nagazira Tiger Reserve and Tiger Corridors of Eastern Vidharbha Landscape in Gondiya, Maharashtra.

The proposal was considered and recommended with certain conditions in the 78<sup>th</sup> meeting of the Standing Committee of the National Board for Wild Life held on 22<sup>nd</sup> February, 2024.

Now the General Manage(S&LR), Gail (India) Limited has requested for revision in area as 103.5036 ha in place of 82.7387 ha.

As per the Part III filled by the DFO uploaded on PARIVESH portal, the total area mentioned in the site inspection report is 82.7387 ha (Forest area-3.2156 ha (Zudpi Jungle) & 79.5231 Ha). PCCF (WL), Maharashtra has now requested for revision in the area as 103.5036 ha in place of 82.7387 ha as the project is also falling in Bhandara and Nagpur Forest Divisions apart from Gondiya Division. While submitting the proposal on the PARIVESH portal, the Part III uploaded did not have the details regarding Bhandara and Gondia Division at the time of consideration of the proposal

by the Standing Committee. Now the Chief Wild Life Warden has provided the Part III filled by the Bhandara and Gondia Divisions.

Comments were again sought from the NTCA on the proposal of the PCCF (WL), Maharashtra. NTCA has mentioned that the proposed gas pipeline will pass through crucial parts of the Kanha-Navegaon-Tadoba and Pench-Navegaon Nagzira tiger reserve corridors. The current tiger density in Navegaon Tiger Reserve is low and relies on the spillover population from neighbouring 'source' tiger reserves, namely Kanha, Tadoba, and Pench. Therefore, the gas pipe line along with optical fibre may be permitted with certain conditions.

**Decision Taken:** After discussions, the Standing Committee decided to approve the proposal WL/MH/Pipeline/434672/2023 with revision in area as 103.5036 ha in place of 82.7387 ha subject to the conditions already prescribed and the following additional conditions:

1. No bio resources should be used from the neighbouring forests.
2. Labourers should strictly be prohibited from hunting. The User Agency should be held responsible if poaching is reported by its labourer and personnel.
3. No labour settlements should be allowed in the forest.

#### AGENDA ITEM No.4

##### 79.4 (Fresh Proposals falling inside / Outside the Protected Area)

- 79.4.1 Proposal for use of 1.6 ha of forest land from Dibang Wildlife Sanctuary for establishment of New Ammunition Shelters & Gun Position- Bruni, Anni, Arunachal Pradesh.

**WL/AR/Others/441582/2023**

The Standing Committee was informed that the proposal is for use of 1.6 ha of forest land from Dibang Wildlife Sanctuary for establishment of New Ammunition Shelters & Gun Position- Bruni, Anni, Arunachal Pradesh.

The proposal has been recommended by Chief Wild Life Warden, the State Board for Wild Life and the State Government.

**Decision Taken:** After discussions, the Standing Committee decided to recommend the proposal subject to the following conditions:

1. The User Agency shall adhere to the provisions of the Wild Life (Protection) Act, 1972.
2. The User Agency shall not harm or destroy wildlife habitat including fauna and flora of the Sanctuary.
3. The User Agency shall not use the area for any work other than proposed use.

(iii) Monitoring Committee: There is provision of monitoring committee to implement and monitor provisions as mentioned in the notification, but it is non-functional.

(iv) Guidelines: The MoEFCC has provided guidelines which are used for regulating development activities. This needs modification in the present context. Till date, ESZs have not been prepared for many Protected Areas as states are not sensitive for the issues. Also, nodal agencies at Centre Government and State Governments do not take cognizance of the provisions as mentioned in the notification.

He highlighted a specific case of construction of highway in the ESZ of Velavadar National Park. Every year there is death of several blackbucks due to accidents with vehicles. There Zonal Master Plans for all the ESZs should be prepared. The provisions contained in the ESZ notifications are not being implemented. The issues raised herein may be examined.

Dr. Sukumar suggested for the need to move towards landscape level conservation planning. The ESZs are part of broader landscape level planning for conservation in the country. The subject of human-wildlife conflict also requires detailed deliberations. The increase in human-wildlife conflicts was anticipated several years ago. Several important conservation measures have been taken such as increase in protected area network, several policy decisions which have legal ramifications, affects livelihood of people. He suggested for focussed discussions on policy issues for setting the course of conservation in future.

The Chairman mentioned that he has met large number of people, public representatives in Wayanad region. Due to increase in population, infrastructure development, lot of problems are coming up. A meeting should be convened to address the issue of human-wildlife conflict. The State PCCFs and CWLWs may be addressed and their opinions sought on the issues raised by Dr. H. S. Singh and concerns raised by Dr. Sukumar for future discussions in the Standing Committee meetings on policy matters.

**Decision Taken:** After discussions, the Standing Committee decided that the Ministry shall take opinions and suggestions from the State/UT Forest Departments on the landscape level conservation planning, matters related to implementation of provisions contained in the ESZ notifications and human-wildlife conflict issues for discussions in future meetings of the Standing Committee.

### AGENDA ITEM NO 3

#### 78.3 (Fresh Proposals falling inside / Outside the Protected Area)

- 78.3.1 Proposal for use of 40.86 ha of forest land from tiger corridor connecting NagarjunaSagar Tiger Reserve (NSTR) and Sri Venkateswara National Park for development of Expressways, Economic Corridors and inter corridors under Bharatmala Pariyojana Phase- II (Lot-10): Bengaluru- Kadapa- Vijayawada

site inspection and suggesting mitigation measures and adequate management plan for area below the proposed transmission line and therefore decided to defer the proposal for the next meeting.

- 78.3.16 Proposal for use of 3.064 ha of forest land from the tiger corridor connecting Tadoba Andhari Tiger Reserve and Navegaon Nagzira Tiger Reserve for laying of 220 Kv D/C Transmission Line from existing Umred Sub Station to proposed Nagbhid Sub Station Under MSETCL.

**FP/MH/TRANS/44469/2020**

The Standing Committee was informed that the proposal is for use of 3.064 ha of forest land from the tiger corridor connecting Tadoba Andhari Tiger Reserve and Navegaon Nagzira Tiger Reserve for laying of 220 Kv D/C Transmission Line from existing Umred Sub Station to proposed Nagbhid Sub Station Under MSETCL.

The proposal has been recommended by Chief Wild Life Warden, the State Board for Wild Life and the State Government. The NTCA has recommended the proposal.

**Decision Taken:** After discussions, the Standing Committee decided to give in principle approval and decided that a committee shall be constituted comprising of representatives of the Ministry, National Tiger Conservation Authority, Wildlife Institute of India, Maharashtra Forest Department and User Agency for site inspection and suggesting mitigation measures and adequate management plan for area below the proposed transmission line and therefore decided to defer the proposal for the next meeting.

- 78.3.17 Proposal for use of 82.7387 ha (3.2156 ha forest land and 79.5231 ha non- forest land) for underground laying of 18" dia Nagpur- Jharsuguda Natural Gas Pipeline along with OFC Cable across Tiger Corridor connecting Pench Tiger Reserve, Umred Paoni Karandla Sanctuary and Navegaon Nagazira Tiger Reserve and Tiger Corridors of Eastern Vidharbha Landscape in Gondiya, Maharashtra.

**WL/MH/Pipeline/434672/2023**

The Standing Committee was informed that the proposal is for use of 82.7387 ha (3.2156 ha forest land and 79.5231 ha non- forest land) for underground laying of 18" dia Nagpur- Jharsuguda Natural Gas Pipeline along with OFC Cable across Tiger Corridor connecting Pench Tiger Reserve, Umred Paoni Karandla Sanctuary and Navegaon Nagazira Tiger Reserve and Tiger Corridors of Eastern Vidharbha Landscape in Gondiya, Maharashtra.

The proposal has been recommended by Chief Wild Life Warden, the State Board for Wild Life and the State Government. The NTCA has also recommended the proposal. Similar two such proposals have been recommended by the Standing Committee earlier.

Dr. H. S. Singh suggested that the proposal might be recommended.

The Member Secretary, NTCA mentioned that the pipeline would be laid underground.

**Decision Taken:** After discussion, the Standing Committee decided to approve the proposal subject to the following conditions:

1. In Tiger Corridor area, the gas pipeline laying work will be carried out within RoW, during day time only.
2. The user agency should restore the land after use/maintenance.
3. The User Agency should restore any loss to forest/environment.
4. The User Agency will seek permission from State Forest Department for carrying out any maintenance.
5. The User Agency will have to submit NOC from the agency which holds the right to be the right of way.
6. Horizontal drilling machine to be used for pipeline laying work wherever possible.
7. The length of trench dug at a time should not exceed 500 m. which shall be filled up & compacted before digging next stretch of 500 m. to avoid accidental damage to wildlife.
8. While executing the work and thereafter also there should be no violation of provisions Wild Life (Protection), Act 1972, by User Agency or their contractors.
9. User Agency shall deposit 2% of project cost of areas falling in Tiger corridors area for wildlife conservation and management activities of the with Deputy Conservation of Forests & Field Director, Nawegaon- Nagzira Tiger Foundation, Gondia.
10. A contingency plan shall be prepared by the User Agency to manage leakage / any accident which may affect the aquatic birds and ecosystem. The contingency plan shall include:
  - a. Leak detection system to immediately identify the leakages, if any.
  - b. Remote operated valves (ROV) for terminating the pipeline operation and isolation.
  - c. Stopping of pipeline operation and isolation of leaky segment by closing of block valves at Specializing valve (SV) stations.
  - d. Intelligent pigging for monitoring of pipeline defects and maintaining pipeline integrity.
  - e. Impressed Current Cathodic protection to prevent corrosion
  - f. Three layered PE coating on outer surface of the pipeline to prevent external corrosion
  - g. Regular patrolling of the pipeline by Line walkers to prevent any third party incidents.
  - h. In order to have effective control on the pipeline and for its optimum utilization and safety, an appropriate system such as Supervisory Control and Data Acquisition (SCADA) and Applications Software (APPS) package shall be implemented.

(304)

11. Dedicated pipeline integrity & maintenance team for monitoring, maintenance and repairs of pipeline along with leak arresting equipment's and machines.
12. No construction material should be procured from within the forest. The pipeline and OFC should be covered with excavated materials after the construction. Construction debris should be disposed of away from the forest by the cost of the user agency.
13. No alteration in the existing drainage pattern should be allowed within the forest for implementing the proposed construction.
14. No blasting should be permitted within tiger corridor area.
15. While laying the pipeline and OFC, the work should be executed in a timely manner simultaneously excavating the trenches and laying the structures so as to minimize the disturbance to wildlife. The user agency should not dig trenches along long stretches and leave them open for several weeks without completion of work.
16. Any future maintenance of the pipeline and OFC would be subject to prior approval of the competent authority of Maharashtra Forest Department.
17. Chief Wild Life Warden, Maharashtra should develop a mechanism for monitoring the compliance of the conditions stipulated herein at various phases of project implementation.
18. An annual compliance certificate on the stipulated conditions shall be submitted by the User Agency to the State Chief Wild Life Warden and an annual compliance certificate shall be submitted by the State Chief Wild Life Warden to Government of India.

78.3.18 Proposal for use of 16.26 ha of land (0.759 ha of forest land and 15.501 ha of non-forest land) from Tiger Corridor of Eastern Vidarbha Landscape for widening of existing two lane to six lane for construction of bypass of Nagpur-Bhandara road section of NH-53 (Old NH-6) Package between chainage 485.00 to 499.800 in Taluka & District Bhandara, Maharashtra.

WL/MH/Others/410154/2022

The Standing Committee was informed that the proposal is for use of 16.26 ha of land (0.759 ha of forest land and 15.501 ha of non-forest land) from Tiger Corridor of Eastern Vidarbha Landscape for widening of existing two lane to six lane for construction of bypass of Nagpur-Bhandara road section of NH-53 (Old NH-6) Package between chainage 485.00 to 499.800 in Taluka & District Bhandara, Maharashtra.

The proposal has been recommended by Chief Wild Life Warden, the State Board for Wild Life and the State Government. The NTCA has also recommended the proposal.

The Chairman enquired if the mitigation measures have been proposed along with the proposal.

The Additional Principal Chief Conservator of Forests (Wildlife) informed that the Wildlife Institute of India has prepared a mitigation plan for the project.
