GOVERNMENT OF TELANGANA FOREST DEPARTMENT

From
Smt.R.Sobha, IFS,
Principal Chief Conservator of Forests
& Head of Forest Force
Telangana, "Aranya Bhavan",
Saifabad, Hyderabad.

To
The Special Chief Secretary to the
Government,
Forest Department,
Telangana, Secretariat,
Hyderabad.

Rc.No.6564/2017/FCA-1, Dt.22.12.2020

Madam,

Sub: TSFD - Forest (Conservation) Act, 1980 - Proposal for diversion of 409.53 Ha (387.13 ha Horizontal area as per ETS & DGPS survey) of forest land in Keshavapur RF, Medchal-Malkajgiri District for Construction of 5.04 TMC (with its utilization twice which will serve 10 TMC of water) water storage reservoir at Keshavapuram with associated components under Godavari river source for drinking water requirements to the Hyderabad City in favour of HMWS&SB, Hyderabad - Stage-I (in-principle) approval - Accorded - Furnishing of Compliance Report for according Stage-II (final) approval - Regarding.

Siddipet	100	11263
Suryapet	200	58329
Yadadri Bhuvanagi ri	200	2578
	Total	72170

The details of degraded forest CA lands identified to meet the requirement of planting 1000 plants per ha in Bhadradri-Kothagudem District are as follows:

Division Name	Block Name	Compt. No.	Area in Ha.
Kothagude	Penagadapa	29 & 30	40.00
m	Ramavaram	9 &13	160.00
Manuguru	Nellipaka - B	209	20.000
	Chatakonda	16	50.00
WLM Kinnerasani	Punukuduch elka	5	30.00
	Allapally	23	50.00
		Total	350.00

It is proposed to plant 1111 plants / ha in above degraded forest lands identified in Bhadradri-Kothagudem District and 388850 plants will be planted.

Hence, in total 4,61,020 plants will be planted as against planting minimum of 4,09,530 plants stipulated,

The User agency has deposited an amount of Rs.44,85,50,602/towards raising compensatory afforestation in NFL areas of Siddipet (Rs.7,66,76,468/-), Suryapet (Rs.18,37,62,549/-) and Yadadri Bhuvanagiri (Rs.73,54,160/-) districts and DFL areas of Bhadradri Kothagudem (Rs.18,07,57,425/-) District of Telangana State, which is part of amount of Rs.85,77,95,450/- deposited in Adhoc CAMPA account of Telangana state (Corporation Bank of India A/C No.155705336146909 vide UTR No. UTIBR52020100900353966 Dt:09-10on 2020) against the proposal No.FP/TG/WATER /36146/2018. Same is reflected online at Ministry's portal. (copies enclosed)

(vi) 25% of the CA cost additionally will be spent towards Soil and Moisture Conservation activities in the proposed CA area as per site requirement and deposited in CAF, through online;

The User agency has deposited an amount of Rs.11,21,43,368/- towards 25% of CA towards SMC works in the proposed compensatory afforestation in NFL areas of Siddipet (Rs.1,24,24,885/-), Suryapet (Rs.1,80,57,012/-) and Yadadri-Bhuvanagiri

(Rs.12,70,610/-) districts and DFL areas of Bhadradri Kothagudem (Rs. 8,03,90,861/-) District of Telangana State, which is part of amount of Rs.85,77,95,450/- deposited in Adhoc CAMPA account of Telangana state (Corporation Bank of India No.155705336146909 vide UTR No. UTIBR52020100900353966 on Dt: 09-10-2020) against the proposal No.FP/TG/WATER /36146/2018. Same is reflected online at Ministry's portal. (copies enclosed).

(vii) The non-forest land identified for raising CA shall be transferred and mutated in favour of the State Forest Department and shall be notified as Reserved Forest or Protected Forest under the provisions of the Indian Forest Act, 1927 or under the relevant Section(s) of the local Forest Act before issue of the Stage –II/Final approval;

The non-forest lands identified for Compensatory Afforestation in Siddipet, Suryapet and Yadadri Bhuvanagiri Districts have been transferred and mutated in favour of the State Forest Department.

Mutation certificates, Pahani records, Handing over & taking over maps are enclosed.

Compensatory Afforestation Forest Blocks are notified U/s 4 of Telangana State Forest Act, 1967.

(x)	The User Agency shall transfer the funds for the Net Present Value (NPV) of the forest land being diverted under this proposal as per the orders of the Hon'ble Supreme Court dated 28.03.2008, 24.04.2008 and 09.05.2008 in Writ Petition (Civil) No. 202/1995 and the guidelines issued by this Ministry vide its letter No. 5-3/2007- FC dated 05.02.2009 through online portal of CAMPA account of the State Concerned;	Rs.25,63,65,780/- towards Net Present Value which is part of amount of Rs.85,77,95,450/- deposited in Adhoc CAMPA account of Telangana state (Corporation Bank of India A/C No.155705336146909 vide UTR No. UTIBR52020100900353966 on Dt: 09-10-2020) against the proposal No.FP/TG/WATER /36146/2018. Same is reflected online at Ministry's portal. (copies enclosed).
(xi)	At the time of payment of the NPV at the then prevailing rate, the user agency shall furnish an undertaking to pay the additional amount of NPV, if so determined as per the decision of the Hon'ble Supreme Court/Government of India;	The User Agency has submitted an undertaking to this condition. (Copy Enclosed)
(xii)	The user agency should ensure that the compensatory levies (CA cost, NPV, etc.) are deposited through challan generated online on web portal and deposited in appropriate bank online only. Amount deposited through other mode will not be accepted as compliance of the Stage- I clearance;	25% of CA cost for SMC works, WL Plan, Gap Planting, etc., in Adhoc CAMPA account of Telangana state (Corporation Bank of India A/C No.155705336146909 vide UTR No. UTIBR52020100900353966 on Dt: 09-10-
(xiii)	Any fund received from the user agency under the project, except the funds realized for regeneration / demarcation of safety zone, shall be transferred to CAMPA through Online-portal of Ad-hoc CAMPA account of the State Concerned;	the ministry portal and the deposited an amount of Rs.85,77,95,450/- towards cost of CA, NPV, 25% of CA cost for SMC works, cost of WL Plan, Gap Planting, etc., in Adhoc CAMPA
(xiv)	The User Agency shall prepare and implement the R & R Plan as per the R&R policy of State Government in consonance with National R & R policy, Government of India before commencement of the project work and implementation. The said R&R plan will be monitored by the state government / Regional office of MoEF & CC along with indicators for monitoring and expected observable milestones, if applicable;	is not applicable in this case.

(xv)	The User Agency shall obtain the Environment Clearance as per the provisions of the Environmental (Protection) Act, 1986, if applicable;	Environment Clearance is not applicable an	
(xvi)	The User Agency shall obtain clearance from the Standing Committee of NBWL for areas falling in the protected area and its Eco-Sensitive Zone before commencement of work, if applicable;	The Project Area does not fall in any protected area and nor fall in any Eco-Sensitive Zone of protected area and approval from NBWL is not necessary in this case. However, the User Agency has deposited an amount of Rs.2,66,87,000/- towards implementation of Wildlife Mitigation Plan which is part of amount of Rs.85,77,95,450/- deposited in Adhoc CAMPA account of Telangana state (Corporation Bank of India A/C No.155705336146909 vide UTR No. UTIBR52020100900353966 on Dt: 09-10-2020) against the proposal No.FP/TG/WATER /36146/2018. Same is reflected online at Ministry's portal. (copies enclosed)	
(xvii)	Copy of approved Catchment Area Treatment (CAT) Plan, if applicable shall be submitted in accordance to para no. 4.8 (i) of Forest (Conservation) Act, 1980 Handbook and commensurate funds shall be deposited in the account of CAMPA through on-line portal;	The User Agency has stated that the proposal is for construction of reservoir for drinking water and Catchment Area Treatment (CAT) Plan is not applicable in this case.	
(xviii)	The user agency shall carry out muck disposal at pre-designated sites in such a manner so as to avoid its rolling down with approval plan;	The User Agency has submitted an undertaking to this condition. (Copy Enclosed)	
(xix)	The dumping area for muck disposal shall be stabilized and reclaimed by planting suitable species by the user agency at the cost of project under the supervision of State Forest Department. Retaining walls and terracing shall be carried out to hold the dumping material in place. Stabilization and reclamation of such dumping sites shall be completed before handing over the same to the State Forest Department in a time bound manner as per Plan;	The User Agency has submitted an undertaking to this condition. (Copy Enclosed)	
(xx)	The tree felling in the forest area, so diverted, shall only be as per the actual requirement and with prior permission of the competent authority.	The User agency has deposited an amount of Rs.5,55,000/- towards Extraction of Tree growth which is part of amount of Rs.60,25,000/- deposited into the PD account of DFO, Medchal through RTGS/NEFT vide UTR No.UTIBR52020100900353666 on Dt:09.10.2020. (copies enclosed)	

(xxi)	The User agency shall undertake	
	afforestation along the periphery of the reservoir;	to this condition. (Copy Enclosed)
(xxii)	There shall be no tree felling between FRL (Full Reservoir Level) and FRL – 4 meters and the forest land located between FRL and the FRL-4 meters may be afforested by planting appropriate indigenous tree species;	The User Agency has submitted an undertaking to this condition. (Copy Enclosed)
(xxiii)	The User agency shall provide free water for the forestry and wildlife related activities;	The User Agency has submitted an undertaking to this condition. (Copy Enclosed)
(xxiv)	Layout plan of the proposal shall not be changed without the prior approval of the Central Government;	The same of the sa
(xxv)	No labour camp shall be established on the forest land;	The User Agency has submitted an undertaking to this condition. (Copy Enclosed)
(xxvi)	The forest land shall not be used for any purpose other than that specified in the proposal and under no circumstances be transferred to any other agency, department or person;	The User Agency has submitted an undertaking to this condition. (Copy Enclosed)
(xxvii)	The State Government shall ensure that the user agency shall provide alternate fuels to the laborers and the staff working at the site so as to avoid any damage and pressure on the nearby forest areas;	The User Agency has submitted an undertaking to this condition. (Copy Enclosed)
(xxviii)	Boundary of the forest land proposed to be diverted shall be demarcated on ground at the project cost, by erecting four feet high reinforced cement concrete pillars, each inscribed with its serial number, forward and back bearing, distance from pillar to pillar and GPS co-ordinates;	account of DFO, Medchal-Malkajgiri through RTGS/NEFT vide UTR No. UTIBR52020100900353666 on Dt:09.10.2020. (copies enclosed) The DFO, Medchal-Malkajgiri has submitted an Undertaking for demarcation of boundary pillars will be done after the receipt of Stage-II approval. (copy enclosed)
(xxix)	The State Government shall complete settlement of rights, in terms of the Scheduled Tribes and Other Traditional Forest Dwellers (Recognition of Forest Rights) Act, 2006, if any, on the forest land to be diverted and submit the documentary evidence as prescribed by this Ministry in its letter No. 11-9/1998-FC (pt.) dated 03.08.2009 read with 05.07.2013, in support thereof:	RoFR in Form-II from the District Collector, Medchal along with the mandatory document evidences has been furnished to the ministry during the processing of Stage-I proposal.

(xxx)	No damage to the flora and fauna of the adjoining area shall be caused;	The User Agency has submitted an undertaking to this condition. (Copy Enclosed)
(xxxi)	The user agency shall explore the possibility of translocation of maximum number of trees identified to be felled and shall ensure that any tree felling shall be done only when it is unavoidable and that too under strict supervision of the State Forest Department;	The User agency has deposited an amount of Rs.5,20,000/- towards Translocation of trees which is part of amount of Rs.60,25,000/- deposited into the PD account of DFO, Medchal-Malkajgiri through RTGS/NEFT vide UTR No. UTIBR52020100900353666 on Dt: 09-10-2020. (copies enclosed)
(xxxii)	User agency either himself or through the State Forest Department shall undertake gap planting and soil & moisture conservation activities. The plan for plantation and SMC activities will be prepared and submitted to MoEF &CC before Stage-II Clearance;	The User agency has deposited an amount of Rs.1,40,48,700/- towards Gap planting around the diverted area which is part of amount of Rs.85,77,95,450/- deposited in Adhoc CAMPA account of Telangana state (Corporation Bank of India A/C No.155705336146909 vide UTR No. UTIBR52020100900353966 on Dt:09-10-2020) against the proposal No. FP/TG/WATER/36146/2018. Same is reflected online at Ministry's portal. (copies enclosed)
(xxxiii)	The User Agency shall submit the annual self -compliance report in respect of the above stated conditions to the State Government, concerned Regional Office and to this Ministry by the end of March every year regularly;	The User Agency has submitted an undertaking to this condition. (Copy Enclosed)
(xxxiv)	The Violation of any of these conditions will amount to violation of Forest (Conservation) Act, 1980 and action would be taken as per the para 1.21 of comprehensive guidelines issued vide this Ministry F. No.5-2/2017-FC dated 28th March, 2019;	The User Agency has submitted an undertaking to this condition. (Copy Enclosed)
(xxxv)	Any other condition that the concerned Regional Office of this Ministry may stipulate with the approval of competent authority in the interest of conservation, protection and development of forests & wildlife; and	The User Agency has submitted an undertaking to this condition. (Copy Enclosed)
(xxxvi)	The user agency shall comply all the provisions of the all Acts, Rules, Regulations, Guidelines, Hon'ble Court Order (s) and NGT Order (s) pertaining to this project, if any, for the time being in force, as applicable to the project.	The User Agency has submitted an undertaking to this condition. (Copy Enclosed)
(xxxvii)	The compliance report shall be uploaded on e-portal (https://parivesh.nic.in/).	Complied.

Further, the User Agency has published the entire forest clearances granted in

two widely circulated daily newspapers one in vernacular language i.e., in Telugu (on 25.09.2020) and the other in English (on 25.09.2020) (copies enclosed). The copies of the forest clearance also submitted by the User Agency to the heads of local bodies, Panchayats and municipal bodies by the project proponents in addition to the relevant offices of the Government to display the same for 30 days and displayed (evidences enclosed).

In this regard, it is submitted that the User Agency has fulfilled all the conditions stipulated by Regional Office, MoEF& CC, Chennai. Hence, the proposal is recommended for according Stage II (final) approval by the competent authority.

In view of the above, the Government are requested to forward the condition-wise compliance report to the Ministry of Environment, Forests & Climate Change, New Delhi, and obtain Central Government's Stage-II (final) approval under Section '2' of Forest (Conservation) Act, 1980 for "diversion of Forest land 409.53 ha (387.13 ha Horizontal area as per ETS & DGPS survey) in Keshavapur RF, Medchal Forest Division, Medchal-Malkajgiri district for construction of 5.04 TMC Reservoir (with its utilization twice to serve 10 TMC of water) at Keshavapuram with associated components under Godavari River source for drinking water requirements to the Hyderabad City in favour of HMWSSB", and communicate the orders in the matter, at an early date,.

This is submitted for favour of information and necessary action.

The Special Chief Secretary to Government, EFS&T Department, Telangana Secretariat, Hyderabad.

To
The Inspector General of Forests,
Government of India,
Ministry of Environment, Forests & Climate Change,
(FC Division), Indira Paryavaran Bhavan,
Jorbagh Road, Aliganj,
New Delhi -110 003. (w.e.)

Sir,

Sub:- Forest (Conservation) Act, 1980 – Diversion of **409.53 Ha** (387.13 ha Horizontal area as per ETS &DGPS survey) of forest land in Keshavapur RF, Medchal-Malkajgiri District for Construction of 10 TMC reservoir at **Keshavapuram** with associated components under Godavari river source for drinking water requirements to the Hyderabad City in favour of HMWS&SB, Hyderabad – Regarding.

Ref:-1.From the PCCF (HoFF) (FAC), T.S., Hyd., Lr.No.6564/2017/FCA-1, Dated: 29.06.2020.

2. State Govt. Lr.No.1430/For.I(1)/2020, dt.30.06.2020.

 From GoI, MoEF & CC, New Delhi, F.No.8-08/2020-FC, , Dt.10.07.2020.

 From the PCCF(HoFF), T.S. Hyd. Rc.No.6564/2017/FCA-1, Dt.22.12.2020.)

I, am directed to invite your attention to the references 3rd cited and to inform that the Government of India, Ministry of Environment and Forestry, have accorded approval in-principle (Stage-I) U/s 2 of Forest (C) Act, 1980, for diversion of **409.53 Ha** (387.13 ha Horizontal area as per ETS &DGPS survey) of forest land in Keshavapur RF, Medchal-Malkajgiri District for Construction of 10 TMC reservoir at **Keshavapuram** with associated components under Godavari river source for drinking water requirements to the Hyderabad City in favour of HMWS&SB, Hyderabad, subject to fulfillment of certain conditions as stipulated therein.

2. I am to further inform that the Principal Chief Conservator of Forests (HoFF), Telangana State, in her letter 4th cited, has submitted condition wise compliance report on the conditions stipulated in in-principle (Stage-I) approval. The details of which are as follows:-

C.No.	Condition	Reply		
(i)	Legal status of the diverted forest land shall remain unchanged;	User Agency has submitted an undertaking to this condition. (Copy Enclosed)		
(ii)	State Government would encourage plantation of bamboo along with tree	Kothagudem, Manuguru & WLM Kinnerasani		

	species in the degraded forest land proposed for CA;	forest la	nd proposed	d for CA.	į
(iii)	State Government may ensure that at a time only 5 TMC water may be stored in the reservoir and furnish an undertaking in this regard;	User Agency has submitted an undertaking that only 5.04 TMC water will be stored in the reservoir, and filled twice to serve 10 TMC of water and same enclosed herewith.			
(iv)	Non Forest Land proposed for CA at Regonda (23.2816 ha. patch) is having an Adit tunnel beneath the ground but the site is suitable for afforestation (as per Site Inspection Report of Regional Office). Therefore, an NOC may be obtained from the Water Resources Department of the State Government;	the wat		e departm	the NOC from ent and the

Same
(x)	The User Agency shall transfer the funds for the Net Present Value (NPV) of the forest land being diverted under this proposal as per the orders of the Hon'ble Supreme Court dated 28.03.2008, 24.04.2008 and 09.05.2008 in Writ Petition (Civil) No. 202/1995 and the guidelines issued by this Ministry vide its letter No. 5-3/2007-FC dated 05.02.2009 through online portal of CAMPA account of the State Concerned;	Rs.25,63,65,780/- towards Net Present Value which is part of amount of Rs.85,77,95,450/- deposited in Adhoc CAMPA account of Telangana state (Corporation Bank of India A/C No.155705336146909 vide UTR No.
(xi)	At the time of payment of the NPV at the then prevailing rate, the user agency shall furnish an undertaking to pay the additional amount of NPV, if so determined as per the decision of the Hon'ble Supreme Court/Government of India;	The User Agency has submitted an undertaking to this condition. (Copy Enclosed)
xii)	should ensure that	The User agency has deposited an amount of Rs.85,77,95,450/- towards cost of CA, NPV, 25% of CA cost for SMC works, WL

	levies (CA cost, NPV,	Plan, Gap Planting, etc., in Adhoc CAMP.
	etc.) are deposited through challan generated online on web portal and deposited in appropriate bank online only. Amount deposited through other mode will not be accepted as compliance of the Stage- I clearance;	account of Telangana state (Corporatio Bank of India A/C No.15570533614690 vide UTR No. UTIBR5202010090035396 on Dt: 09-10-2020) against the propose No.FP/TG/WATER /36146/2018. Sam is reflected online at Ministry's porta (copies enclosed).
(xiii)	Any fund received from the user agency under the project, except the funds realized for regeneration / demarcation of safety zone, shall be transferred to CAMPA through Online-portal of Ad-hoc CAMPA account of the State Concerned;	The User Agency has generated a challan in the ministry portal and the deposited at amount of Rs.85,77,95,450/- towards cost of CA, NPV, 25% of CA cost for SMC works cost of WL Plan, Gap Planting, etc., in Adho CAMPA account of Telangana state (Corporation Bank of India A/O No.155705336146909 vide UTR No.UTIBR52020100900353966 on Dt: 09.10-2020) against the proposal No.FP/TG/WATER/36146/2018. Same is reflected online at Ministry's portal. (copie enclosed)
(xiv)	The User Agency shall prepare and implement the R & R Plan as per the R&R policy of State Government in consonance with National R & R policy, Government of India before commencement of the project work and implementation. The said R&R plan will be monitored by the state government / Regional office of MoEF & CC along with indicators for monitoring and expected observable milestones, if applicable;	The User Agency has stated that the R&F Plan is not applicable in this case.
(xv)	The User Agency shall obtain the Environment Clearance as per the provisions of the Environmental (Protection) Act, 1986, if applicable;	The User Agency has stated that the Environment Clearance is not applicable and No Objection certificate from Pollution Control is obtained by the User Agency and enclosed herewith.
(xvi)	The User Agency shall obtain clearance from the Standing	The Project Area does not fall in any protected area and nor fall in any Eco- Sensitive Zone of protected area and

	Committee of NBWL for areas falling in the protected area and its Eco-Sensitive Zone before commencement of work, if applicable;	approval from NBWL is not necessary in this case. However, the User Agency has deposited an amount of Rs.2,66,87,000/- towards implementation of Wildlife Mitigation Plan which is part of amount of Rs.85,77,95,450/- deposited in Adhoc CAMPA account of Telangana state (Corporation Bank of India A/C No.155705336146909 vide UTR No. UTIBR52020100900353966 on Dt: 09-10-2020) against the proposal No.FP/TG/WATER /36146/2018. Same is reflected online at Ministry's portal. (copies enclosed)
(xvii)	Copy of approved Catchment Area Treatment (CAT) Plan, if applicable shall be submitted in accordance to para no. 4.8 (i) of Forest (Conservation) Act, 1980 Handbook and commensurate funds shall be deposited in the account of CAMPA through on-line portal;	The User Agency has stated that the proposal is for construction of reservoir for drinking water and Catchment Area Treatment (CAT) Plan is not applicable in this case.
(xviii)	The user agency shall carry out muck disposal at predesignated sites in such a manner so as to avoid its rolling down with approval plan;	The User Agency has submitted an undertaking to this condition. (Copy Enclosed)
(xix)	The dumping area for muck disposal shall be stabilized and reclaimed by planting suitable species by the user agency at the cost of project under the supervision of State Forest Department. Retaining walls and terracing shall be carried out to hold the dumping material in place. Stabilization and reclamation of such dumping sites shall be completed before handing over the same to the State Forest Department in a time bound manner as per Plan;	undertaking to this condition. (Copy

(xx)	The tree felling in the forest area, so diverted, shall only be as per the actual requirement and with prior permission of the competent authority.	Rs.5,55,000/- towards Extraction of Tree growth which is part of amount of Rs.60,25,000/- deposited into the PD account of DFO, Medchal through RTGS/NEFT vide UTR
(xxi)	The User agency shall undertake afforestation along the periphery of the reservoir;	undertaking to this condition. (Copy Enclosed)
(xxii)	There shall be no tree felling between FRL (Full Reservoir Level) and FRL – 4 meters and the forest land located between FRL and the FRL-4 meters may be afforested by planting appropriate indigenous tree species;	undertaking to this condition. (Copy Enclosed)
(xxiii)	The User agency shall provide free water for the forestry and wildlife related activities;	The User Agency has submitted an undertaking to this condition. (Copy Enclosed)
(xxiv)	Layout plan of the proposal shall not be changed without the prior approval of the Central Government;	The User Agency has submitted an undertaking to this condition. (Copy Enclosed)
(xxv)	No labour camp shall be established on the forest land;	The User Agency has submitted an undertaking to this condition. (Copy Enclosed)
(xxvi)	The forest land shall not be used for any purpose other than that specified in the proposal and under no circumstances be transferred to any other agency, department or person;	The User Agency has submitted an undertaking to this condition. (Copy Enclosed)
(xxvii)	The State Government shall ensure that the user agency shall provide alternate fuels to the laborers and the staff working at the site so as to avoid any damage and pressure on the nearby forest areas;	The User Agency has submitted an undertaking to this condition. (Copy Enclosed)

(xxviii)	forest land proposed to be diverted shall be demarcated on	The User agency has deposited an amount of Rs.49,50,000/- towards Construction of Boundary pillars which is part of amount of Rs.60,25,000/- deposited into the PD account of DFO, Medchal-Malkajgiri through RTGS/NEFT vide UTR No. UTIBR52020100900353666 on Dt:09.10.2020. (copies enclosed) The DFO, Medchal-Malkajgiri has submitted an Undertaking for demarcation of boundary pillars will be done after the receipt of Stage-II approval. (copy enclosed)
(xxix)	The State Government shall complete settlement of rights, in terms of the Scheduled Tribes and Other Traditional Forest Dwellers (Recognition of Forest Rights) Act, 2006, if any, on the forest land to be diverted and submit the documentary evidence as prescribed by this Ministry in its letter No. 11-9/1998-FC (pt.) dated 03.08.2009 read with 05.07.2013, in support thereof:	RoFR in Form-II from the District Collector, Medchal along with the mandatory document evidences has been furnished to the ministry during the processing of Stage-I proposal.
(xxx)	No damage to the flora and fauna of the adjoining area shall be caused;	undertaking to this condition. (Copy
(xxxi)	The user agency shall explore the possibility of translocation of maximum number of trees identified to be felled and shall ensure that any tree felling shall be done only when it is unavoidable and that too under strict supervision of the State Forest Department;	trees which is part of amount of Rs.60,25,000/- deposited into the PD account of DFO, Medchal-Malkajgiri through RTGS/NEFT vide UTR No. UTIBR52020100900353666 on Dt: 09-10-2020. (copies enclosed)
(xxxii)	User agency eithe himself or through the State Fores	Rs.1,40,48,700/- towards Gap planting

	Department shall undertake gap planting and soil & moisture conservation activities. The plan for plantation and SMC activities will be prepared and submitted to MoEF &CC before Stage-II Clearance;	amount of Rs.85,77,95,450 /- deposited in Adhoc CAMPA account of Telangana state (Corporation Bank of India A/C No.155705336146909 vide UTR No. UTIBR52020100900353966 on Dt:09-10-2020) against the proposal No. FP/TG/WATER/36146/2018. Same is reflected online at Ministry's portal. (copies enclosed)
(xxxiii)	The User Agency shall submit the annual self -compliance report in respect of the above stated conditions to the State Government, concerned Regional Office and to this Ministry by the end of March every year regularly;	The User Agency has submitted an undertaking to this condition. (Copy Enclosed)
(xxxiv)	The Violation of any of these conditions will amount to violation of Forest (Conservation) Act, 1980 and action would be taken as per the para 1.21 of comprehensive guidelines issued vide this Ministry F. No.5-2/2017-FC dated 28th March, 2019;	The User Agency has submitted an undertaking to this condition. (Copy Enclosed)
(xxxv)	Any other condition that the concerned Regional Office of this Ministry may stipulate with the approval of competent authority in the interest of conservation, protection and development of forests & wildlife; and	undertaking to this condition. (Copy Enclosed)

In compliance to the reference 2nd cited, it is submitted that the Principal Chief Conservator of Forests, Telangana, Hyderabad has communicated Stage-I approval for diversion of Forest land to an extent of 409.53 ha in Medchal Forest Division under Medchal District – For construction of 5 TMC water storage reservoir (with its utilization twice to serve 10 TMC of water) at Keshavapuram with associate components under Godavari River Source for Drinking water requirements to the Hyderabad City in favor of HMWSSB and requested to obtain the condition wise compliance report by the UA for final approval.

Accordingly, the compliance report has been obtained from the UA by the DFO's, Medchal-Malkajgiri and Yadadri Bhuvanagiri and vide ref 4th and 5th cited, the DFO's, Medchal and Yadadri Bhuvanagiri have submitted the condition wise compliance on the stage-I approval and the condition wise compliance report as follows:

C.No	Condition	Reply
(i)	Legal status of the diverted forest land shall remain unchanged;	User Agency has submitted an undertaking to this condition and enclosed herewith
(ii)	State Government would encourage plantation of bamboo along with tree species in the degraded forest land proposed for CA;	Pertains to Bhadradri Kothagudem District.
(iii)	State Government may ensure that at a time only 5 TMC water may be stored in the reservoir and furnish an undertaking in this regard;	User Agency has submitted an undertaking that only 5 TMC water will be stored in the reservoir, and filled twice to serve 10 TMC of water.
(iv)	Non Forest Land proposed for CA at Regonda (23.2816 ha. patch) is having an Adit tunnel beneath the ground but the site is suitable for afforestation (as	

	0" 7 1: 0					- 3
	per Site Inspection Report of Regional Office). Therefore, an NOC may be				O/	
	obtained from the Water Resources					
	Department of the State Government;					
(v)	Compensatory Afforestation (CA) over the non-forest land, equal in extent to	in Yadadri-B	of Non-Forest huvanagiri ar			ed
	the area of forest land being diverted shall be raised within a period of three years with effect from the date of issue	Mandal Name	Village Name	Sy.N o	Area in ha	
	of Stage-II clearance and maintained thereafter in accordance with the approved Plan in consultation with the	ur	Mahamma dabad	266/2	12.891 9	
state Forest Department at the cost of the user agency. At least 1000 saplings per hectare shall be planted over 409.53 ha. (409530 plants). If it is not possible to plant these many seedlings in the identified CA land, balance seedlings will be planted in other suitable degraded forest land as per the prescriptions of the Working Plan at the cost of the User agency. In such case CA cost will be revised and duly approved by competent authority and deposited through online in the CAF managed by CAMPA;	The number planted are plants propored. In compliance to the reference 2nd cited, it is submitted that the Principal Chief Conservator of Forests, Telangana, Hyderabad has communicated Stage-I approval for diversion of Forest land to an extent of 409.53 ha in Medchal Forest Division under Medchal District –For construction of 5 TMC reservoir (with its utilization twice to serve 10 TMC of water)at Keshavapuram with associate components under Godavari River Source for Drinking water requirements to the Hyderabad City in favour of HMWSSB and requested to obtain the condition wise compliance report by the U/A for final approval.

Vide ref 4th cited, the UA has submitted the condition wise compliance on the stage-I approval and the condition wise compliance report as follows.

C.No	Condition	Reply
(i)	Legal status of the diverted forest land shall remain unchanged;	User Agency has submitted an undertaking to this condition and enclosed herewith.
(ii)	State Government would encourage plantation of bamboo along with tree species in the degraded forest land proposed for CA;	Pertains to Bhadradri Kothagudem District.
(iii)	State Government may ensure that at a time only 5 TMC water may be stored in the reservoir and furnish an undertaking in this regard;	User Agency has submitted an undertaking that only 5 TMC water will be stored in the reservoir, and filled twice to serve 10 TMC of water.
(iv)	Non Forest Land proposed for CA at Regonda (23.2816 ha. patch) is having an Adit tunnel beneath the ground but the site is suitable for afforestation (as per Site Inspection Report of Regional Office). Therefore, an NOC may be obtained from the Water Resources Department of the State Government;	Pertains to Siddipet District.

(v)	Compensatory Afforestation (CA) over the non-forest land, equal in extent to the area of forest land being diverted shall be raised within a period of three years with effect from the date of issue of Stage-II clearance and maintained thereafter in accordance with the approved Plan in consultation with the State Forest Department at the cost of the user agency. At least 1000 saplings per hectare shall be planted over 409.53 ha. (409530 plants). If it is not possible to plant these many seedlings in the identified CA land, balance seedlings will be planted in other suitable degraded forest land as per the prescriptions of the Working Plan at the cost of the User agency. In such case CA cost will be revised and duly approved by competent authority and deposited through online in the CAF managed by CAMPA;	Bhuvanagiri, Bhadradri Kothagude Districts	1
(vi)	25% of the CA cost additionally will be spent towards Soil and Moisture Conservation activities in the proposed CA area as per site requirement and deposited in CAF, through online;	Pertains to Siddipet, Suryapet, Yadad Bhuvanagiri, Bhadradri Kothaguder Districts	
(vii)	The non-forest land identified for raising CA shall be transferred and mutated in favour of the State Forest Department and shall be notified as Reserved Forest or Protected Forest under the provisions of the Indian Forest Act, 1927 or under the relevant Section(s) of the local Forest Act before issue of the Stage –II/Final approval;	Bhuvanagiri, Bhadradri Kothaguder	
(viii)	The land identified for the purpose of CA shall be clearly depicted on a Survey of India topo-sheet of 1:50,000 scale;	Pertains to Siddipet, Suryapet, Yadadri Bhuvanagiri, Bhadradri Kothagudem Districts	
(ix)	The User Agency shall transfer the cost of raising and maintaining the CA at the current wage rate in consultation with State Forest Department in the account of CAMPA of the concerned State through online portal. The scheme may include appropriate provision for anticipated cost increase for works scheduled for subsequent years;	Pertains to Siddipet, Suryapet, Yadadı Bhuvanagiri, Bhadradri Kothaguden Districts	
(x)	The User Agency shall transfer the funds for the Net Present Value (NPV) of the forest land being diverted under this proposal as per the orders of the Hon'ble Supreme Court dated 28.03.2008, 24.04.2008 and 09.05.2008 in Writ Petition (Civil) No. 202/1995 and the guidelines issued by this Ministry vide its letter No. 5-3/2007- FC dated 05.02.2009 through online portal of CAMPA account of the State Concerned;	2020) against the proposal No	of c e C

,			·
	((;))	At the time of payment of the NPV at the then prevailing rate, the user agency shall furnish an undertaking to pay the additional amount of NPV, if so determined as per the decision of the Hon'ble Supreme Court/Government of India;	to this condition.
	(xii)	The user agency should ensure that the compensatory levies (CA cost, NPV, etc.) are deposited through challan generated online on web portal and deposited in appropriate bank online only. Amount deposited through other mode will not be accepted as compliance of the Stage- I clearance;	The User agency has deposited an amount of Rs.85,77,95,450/- towards CA, NPV, 25% of CA cost SMC works, WL Plan, Gap Planting, etc., in Adhoc CAMPA account of Telangana state (Corporation Bank of India A/C No.155705336146909 vide UTR No. UTIBR52020100900353966 on Dt: 09-10-2020) against the proposal No. FP/TG/WATER /36146/2018.
	(xiii)	Any fund received from the user agency under the project, except the funds realized for regeneration / demarcation of safety zone, shall be transferred to CAMPA through Online-portal of Ad-hoc CAMPA account of the State Concerned;	The User Agency has generated a challan in the ministry portal and the deposited an amount of Rs.85,77,95,450/- towards CA, NPV, 25% of CA cost for SMC works, WL Plan, Gap Planting, etc., in Adhoc CAMPA account of Telangana state (Corporation Bank of India A/C No.155705336146909 vide UTR No. UTIBR52020100900353966 on Dt: 09-10-2020) against the proposal No. FP/TG/WATER /36146/2018.
	(xiv)	The User Agency shall prepare and implement the R & R Plan as per the R&R policy of State Government in consonance with National R & R policy, Government of India before commencement of the project work and implementation. The said R&R plan will be monitored by the state government / Regional office of MoEF & CC along with indicators for monitoring and expected observable milestones, if applicable;	User Agency has stated that the R & R Plan is not applicable in this case.
	(xv)	The User Agency shall obtain the Environment Clearance as per the provisions of the Environmental (Protection) Act, 1986, if applicable;	User Agency has stated that the Environment Clearance is not applicable and No Objection certificate from Pollution Control is obtained by the User Agency and enclosed herewith.
	(xvi)	The User Agency shall obtain clearance from the Standing Committee of NBWL for areas falling in the protected area and its Eco-Sensitive Zone before commencement of work, if applicable;	The Project Area does not fall in any protected area and its Eco-Sensitive Zone and approval from NBWL is not necessary in this case. However, the User agency has deposited an amount of Rs. 2,66,87,000/- towards Wildlife Mitigation Plan which is part of amount of Rs.85,77,95,450/- deposited in Adhoc CAMPA account of Telangana state (Corporation Bank of India A/C No.155705336146909 vide UTR No. UTIBR52020100900353966 on Dt: 09-10-2020) against the proposal No. FP/TG/WATER /36146/2018.

(xviii)	Copy of approved Catchment Area Treatment (CAT) Plan, if applicable shall be submitted in accordance to para no. 4.8 (i) of Forest (Conservation) Act, 1980 Handbook and commensurate funds shall be deposited in the account of CAMPA through on-line portal; The user agency shall carry out muck	User Agency has stated that the proposal is for construction of reservoir for drinking water and Catchment Area Treatment (CAT) Plan is not applicable in this case. User Agency has submitted an undertaking
	disposal at pre-designated sites in such a manner so as to avoid its rolling down with approval plan;	to this condition and enclosed herewith.
(xix)	The dumping area for muck disposal shall be stabilized and reclaimed by planting suitable species by the user agency at the cost of project under the supervision of State Forest Department. Retaining walls and terracing shall be carried out to hold the dumping material in place. Stabilization and reclamation of such dumping sites shall be completed before handing over the same to the State Forest Department in a time bound manner as per Plan;	User Agency has submitted an undertaking to this condition and enclosed herewith.
(xx)	The tree felling in the forest area, so diverted, shall only be as per the actual requirement and with prior permission of the competent authority.	The User agency has deposited an amount of Rs.5,55,000/- towards Extraction of Tree growth which is part of amount of Rs.60,25,000/- deposited into the PD account of DFO, Medchal-Malkajgiri through RTGS/NEFT vide UTR No. UTIBR52020100900353666 on Dt: 09-10-2020.
(xxi)	The User agency shall undertake afforestation along the periphery of the reservoir;	User Agency has submitted an undertaking to this condition and enclosed herewith.
(xxii)	There shall be no tree felling between FRL (Full Reservoir Level) and FRL – 4 meters and the forest land located between FRL and the FRL-4 meters may be afforested by planting appropriate indigenous tree species;	User Agency has submitted an undertaking to this condition and enclosed herewith.
(xxiii)	The User agency shall provide free water for the forestry and wildlife related activities;	User Agency has submitted an undertaking to this condition and enclosed herewith.
(xxiv)	Layout plan of the proposal shall not be changed without the prior approval of the Central Government;	User Agency has submitted an undertaking to this condition and enclosed herewith.
(xxv)	No labour camp shall be established on the forest land;	User Agency has submitted an undertaking to this condition and enclosed herewith.
(xxvi)	The forest land shall not be used for any purpose other than that specified in the proposal and under no circumstances be transferred to any other agency, department or person;	User Agency has submitted an undertaking to this condition and enclosed herewith.
(xxvii)	The State Government shall ensure that the user agency shall provide alternate fuels to the laborers and the staff working at the site so as to avoid any damage and pressure on the nearby forest areas;	User Agency has submitted an undertaking to this condition and enclosed herewith.

(xx.iii)	Boundary of the forest land proposed to be diverted shall be demarcated on ground at the project cost, by erecting four feet high reinforced cement concrete pillars, each inscribed with its serial number, forward and back bearing, distance from pillar to pillar and GPS co-ordinates;	The User agency has deposited an amount of Rs. 49,50,000/- towards Construction of Boundary pillars which is part of amount of Rs.60,25,000/- deposited into the PD account of DFO, Medchal-Malkajgiri through RTGS/NEFT vide UTR No. UTIBR52020100900353666 on Dt: 09-10-2020. Undertaking for construction of boundary pillars will be done after the receipt of Stage-II approval.
(xxix)	The State Government shall complete settlement of rights, in terms of the Scheduled Tribes and Other Traditional Forest Dwellers (Recognition of Forest Rights) Act, 2006, if any, on the forest land to be diverted and submit the documentary evidence as prescribed by this Ministry in its letter No. 11-9/1998-FC (pt.) dated 03.08.2009 read with 05.07.2013, in support thereof:	RoFR in Form-II from the District Collector, Medchal along with the mandatory document evidences has been furnished to the ministry during the processing of Stage-I proposal.
(xxx)	No damage to the flora and fauna of the adjoining area shall be caused;	User Agency has submitted an undertaking to this condition and enclosed herewith.
(xxxi)	The user agency shall explore the possibility of translocation of maximum number of trees identified to be felled and shall ensure that any tree felling shall be done only when it is unavoidable and that too under strict supervision of the State Forest Department;	The User agency has deposited an amount of Rs.5,20,000/- towards Translocation of trees which is part of amount of Rs.60,25,000/- deposited into the PD account of DFO, Medchal-Makajgiri through RTGS/NEFT vide UTR No. UTIBR52020100900353666 on Dt: 09-10-2020.
(xxxii)	User agency either himself or through the State Forest Department shall undertake gap planting and soil & moisture conservation activities. The plan for plantation and SMC activities will be prepared and submitted to MoEF &CC before Stage-II Clearance;	The User agency has deposited an amount of Rs. 1,40,48,700/- towards Gap planting around the diverted area which is part of amount of Rs.85,77,95,450/- deposited in Adhoc CAMPA account of Telangana state (Corporation Bank of India A/C No.155705336146909 vide UTR No. UTIBR52020100900353966 on Dt: 09-10-2020) against the proposal No. FP/TG/WATER /36146/2018.
(xxxiii)	The User Agency shall submit the annual self -compliance report in respect of the above stated conditions to the State Government, concerned Regional Office and to this Ministry by the end of March every year regularly;	User Agency has submitted an undertaking to this condition and enclosed herewith.
(xxxiv)	The Violation of any of these conditions will amount to violation of Forest (Conservation) Act, 1980 and action would be taken as per the para 1.21 of comprehensive guidelines issued vide this Ministry F. No.5-2/2017-FC dated 28th March, 2019;	User Agency has submitted an undertaking to this condition and enclosed herewith.
(xxxv)	Any other condition that the concerned Regional Office of this Ministry may stipulate with the approval of competent authority in the interest of conservation, protection and development of forests & wildlife; and	User Agency has submitted an undertaking to this condition and enclosed herewith.

(xxxvi)	The user agency shall comply all the provisions of the all Acts, Rules, Regulations, Guidelines, Hon'ble Court Order (s) and NGT Order (s) pertaining to this project, if any, for the time being in force, as applicable to the project.	
(xxxvii)	The compliance report shall be uploaded on e-portal (https://parivesh.nic.in/).	Complied.

The UA has published the entire forest clearances granted in two widely circulated daily newspapers one is vernacular language and the other in English (copies enclosed). The copies of the forest clearance also submitted to the heads of local bodies, Panchayats and municipal bodies by the project proponents in addition to the relevant offices of the Government to display the same for 30 days (evidences enclosed).

In this regard, it is submitted that the User Agency has fulfilled all the conditions stipulated by Regional Office, MoEF & CC, Chennai and Prl.Chief Conservator of Forests(HoFF), Telangana, Hyderabad and proposal is recommended for obtaining final Stage-II approval for diversion of Forest land 409.53 ha in Medchal Forest Division under Medchal district for construction of 5 TMC water storage Reservoir (with its utilization twice to serve 10 TMC of water) at Keshavapuram with associated components under Godavari River source for drinking water requirements to the Hyderabad City in favour of HMWSSB.

This is submitted for favour of information and necessary action.

Encls.: As above.

Yours faithfully,

District Førest Office Medchal Malkajgiri

Copy Submitted to the Principal Chief Conservator Forests (HoFF), Hyderbad for favour information.

District Forest Officer Medchal Malkajgiri

Undertaking to the Condition No. (xxviii)

1

I hereby submit that the demarcation of the proposed forest area for diversion of Forest Land to an extent of 409.53 ha in Medchal Forest Division under Medchal District for construction of 5 TMC water storage Reservoir (with its utilization twice to serve 10 TMC of water) at Keshavapuram with associated components under Godavari River source for drinking water requirements to the Hyderabad City in favour of HMWSSB shall be carried out by erecting 4 feet high cement concrete pillars duly numbered at an intervl of 20 meters after the Stage-II approval.

District Forest Officer Medchal Malkajgiri

(xiv)	The User Agency shall prepare and implement the R & R Plan as per the R&R policy of State Government in consonance with National R & R policy, Government of India before commencement of the project work and implementation. The said R&R plan will be monitored by the state government / Regional office of MoEF & CC along with indicators for monitoring and expected observable milestones, if applicable;	Pertains to Medchal-Malkajgiri District.
(xv)	The User Agency shall obtain the Environment Clearance as per the provisions of the Environmental (Protection) Act, 1986, if applicable;	Pertains to Medchal-Malkajgiri District.
(xvi)	The User Agency shall obtain clearance from the Standing Committee of NBWL for areas falling in the protected area and its Eco-Sensitive Zone before commencement of work, if applicable;	Pertains to Medchal-Malkajgiri District.
(xvii)	Copy of approved Catchment Area Treatment (CAT) Plan, if applicable shall be submitted in accordance to para no. 4.8 (i) of Forest (Conservation) Act, 1980 Handbook and commensurate funds shall be deposited in the account of CAMPA through on-line portal;	Pertains to Medchal-Malkajgiri District.
(xviii)	The user agency shall carry out muck disposal at pre-designated sites in such a manner so as to avoid its rolling down with approval plan;	Pertains to Medchal-Malkajgiri District.
(xix)	The dumping area for muck disposal shall be stabilized and reclaimed by planting suitable species by the user agency at the cost of project under the supervision of State Forest Department. Retaining walls and terracing shall be carried out to hold the dumping material in place. Stabilization and reclamation of such dumping sites shall be completed before handing over the same to the State Forest Department in a time bound manner as per Plan;	Pertains to Medchal-Malkajgiri District.
(xx)	The tree felling in the forest area, so diverted, shall only be as per the actual requirement and with prior permission of the competent authority.	Pertains to Medchal-Malkajgiri District.
(xxi)	The User agency shall undertake afforestation along the periphery of the reservoir;	Pertains to Medchal-Malkajgiri District.
(xxii)	There shall be no tree felling between FRL (Full Reservoir Level) and FRL – 4 meters and the forest land located between FRL and the FRL-4 meters may be afforested by planting appropriate indigenous tree species;	Pertains to Medchal-Malkajgiri District.

(xxiii)	The User agency shall provide free water for the forestry and wildlife-related activities;	Pertains to Medchal-Malkajgiri District.
(xxiv)	Layout plan of the proposal shall not be changed without the prior approval of the Central Government;	Pertains to Medchal-Malkajgiri District.
(xxv)	No labour camp shall be established on the forest land;	Pertains to Medchal-Malkajgiri District.
(xxvi)	The forest land shall not be used for any purpose other than that specified in the proposal and under no circumstances be transferred to any other agency, department or person;	Pertains to Medchal-Malkajgiri District.
(xxvii)	The State Government shall ensure that the user agency shall provide alternate fuels to the laborers and the staff working at the site so as to avoid any damage and pressure on the nearby forest areas;	Pertains to Medchal-Malkajgiri District.
(xxviii)	Boundary of the forest land proposed to be diverted shall be demarcated on ground at the project cost, by erecting four feet high reinforced cement concrete pillars, each inscribed with its serial number, forward and back bearing, distance from pillar to pillar and GPS co-ordinates;	Pertains to Medchal-Malkajgiri District.
(xxix)	The State Government shall complete settlement of rights, in terms of the Scheduled Tribes and Other Traditional Forest Dwellers (Recognition of Forest Rights) Act, 2006, if any, on the forest land to be diverted and submit the documentary evidence as prescribed by this Ministry in its letter No. 11-9/1998-FC (pt.) dated 03.08.2009 read with 05.07.2013, in support thereof:	Pertains to Medchal-Malkajgiri District.
(xxx)	No damage to the flora and fauna of the adjoining area shall be caused;	Pertains to Medchal-Malkajgiri District.
(xxxi)	The user agency shall explore the possibility of translocation of maximum number of trees identified to be felled and shall ensure that any tree felling shall be done only when it is unavoidable and that too under strict supervision of the State Forest Department;	Pertains to Medchal-Malkajgiri District.
(xxxii)	User agency either himself or through the State Forest Department shall undertake gap planting and soll & moisture conservation activities. The plan for plantation and SMC activities will be prepared and submitted to MoEF &CC before Stage-II Clearance;	Pertains to Medchal-Malkajgiri District.
(xxxiii)	The User Agency shall submit the annual self -compliance report in respect of the above stated conditions to the State Government, concerned Regional Office and to this Ministry by	Pertains to Medchal-Malkajgiri District.

GOVERNMENT OF TELANGANA FOREST DEPARTMENT

From
Sri C.Sridhar Rao, SFS
District Forest Officer,
Siddipet

To
The Chief Conservator of Forests,
Medak Circle, Medak.

Rc.No.360/S6/2018.dt. 28.11.2020.

Sir,

Sub:

Forest (Conservation) Act, 1980 – Proposal for diversion of Forest Land to an extent of 409.53 ha in Medchal Forest Division under Medchal district for construction of 5 TMC water storage Reservoir (with its utilization twice to serve 10 TMC of water) at Keshavapuram with associated components under Godavari River source for drinking water requirements to the Hyderabad City in favour of HMWSSB – Condition wise Compliance Report – Submitted – Reg.

<<<>>>

In compliance to the reference 2nd cited, it is submitted that the Principal Chief Conservator of Forests, Telangana, Hyderabad has communicated Stage-I approval for diversion of Forest land to an extent of 409.53 ha in Medchal Forest Division under Medchal District –For construction of 5 TMC water storage reservoir (with its utilization twice to serve 10 TMC of water) at Keshavapuram with associate components under Godavari River Source for Drinking water requirements to the Hyderabad City in favour of HMWSSB and requested to obtain the condition wise compliance report by the U/A for final approval.

Vide ref 5th cited, the UA has submitted the condition wise compliance on the stage-I approval and the condition wise compliance report as follows.

C.No	Condition	Reply	
(i)	Legal status of the diverted forest land shall remain unchanged;		
(ii)	State Government would encourage plantation of bamboo along with tree species in the degraded forest land proposed for CA;		
(iii)	State Government may ensure that at a time only 5 TMC water may be stored in the reservoir and furnish an undertaking in this regard;	e n	
(iv)	Non Forest Land proposed for CA at Regonda (23.2816 ha. patch) is having an Adit tunnel beneath the ground but	NOC Obtained from the water resource	

the site is suitable for afforestation (as herewith. per Site Inspection Report of Regional Office). Therefore, an NOC may be obtained from the Water Resources Department of the State Government; The details of Non-Forest CA lands identified Compensatory Afforestation (CA) over (v) the non-forest land, equal in extent to in Siddipet are as follows: the area of forest land being diverted Mandal Village Area in shall be raised within a period of three Sy.No Name Name years with effect from the date of issue of Stage-II clearance and maintained 533/2 23.2816 Regonda thereafter in accordance with the Akkannapet 225/2 24.9237 Ramavaram approved Plan in consultation with the 265/1 State Forest Department at the cost of /2 34.2466 Ummapur the user agency. At least 1000 265/1 saplings per hectare shall be planted /3 over 409.53 ha. (409530 plants). If it 145/1 2.1406 /2 is not possible to plant these many Husnabad 145/1 seedlings in the identified CA land, 11.9462 Mirzapur /3 balance seedlings will be planted in 100/1 16.0918 other suitable degraded forest land as /2 per the prescriptions of the Working 112.630 Total Plan at the cost of the User agency. In such case CA cost will be revised and duly approved by competent authority The number of plants proposed to be and deposited through online in the planted are 100 plants per ha i.e., total CAF managed by CAMPA; plants proposed are 11263. Balance plants are proposed to be planted over other CA NFL & CA DFL areas. The User agency has deposited an amount of Rs. 7,66,76,468/- towards compensatory afforestation in NFL areas of Siddipet district amount which part of is Adhoc in Rs.85,77,95,450/deposited Telangana state CAMPA account of of **India** A/C (Corporation Bank No.155705336146909 vide **UTR** No. UTIBR52020100900353966 on Dt: 09-10the proposal No. 2020) against FP/TG/WATER /36146/2018. The User agency has deposited an amount (vi) 25% of the CA cost additionally will be of Rs.1,24,24,885/- towards part of 25% of spent towards Soil and Moisture Conservation activities in the proposed CA cost for SMC works in the NFL areas of Siddipet district which is part of amount of CA area as per site requirement and Rs.85,77,95,450/-, including balance funds deposited in CAF, through online; for SMC works in other CA NFL & CA DFL areas, deposited in Adhoc CAMPA account of Telangana state (Corporation Bank of India A/C No.155705336146909 vide UTR No. UTIBR52020100900353966 on Dt: 09-10proposal No. 2020) against the FP/TG/WATER /36146/2018. The non-forest land identified for non-forest lands identified for (vii) compensatory afforestation raising CA shall be transferred and in Siddipet District have been transferred and mutated mutated in favour of the State Forest in favour of the State Forest Department. Department and shall be notified as certificates, Pahani records, Mutation Reserved Forest or Protected Forest

	Forest Act, 1927 or under the relevant Section(s) of the local Forest Act before issue of the Stage -II/Final approval;	enclosed. The proposals for Reservation of Compensatory Afforestation Forest Blocks of Husnabad and Akkannapet Mandal of Siddipet District are sent to State Government for Notification as Reserved Forest under the provisions of the Telangana State Forest Act.
(viii)	The land identified for the purpose of CA shall be clearly depicted on a Survey of India topo-sheet of 1:50,000 scale;	Enclosed.
(ix)	The User Agency shall transfer the cost of raising and maintaining the CA at the current wage rate in consultation with State Forest Department in the account of CAMPA of the concerned State through online portal. The scheme may include appropriate provision for anticipated cost increase for works scheduled for subsequent years;	The User agency has deposited an amount of Rs. 7,66,76,468/- towards compensatory afforestation in NFL areas of Siddipet district which is part of amount of Rs.85,77,95,450/- deposited in Adhoc CAMPA account of Telangana state (Corporation Bank of India A/C No.155705336146909 vide UTR No. UTIBR52020100900353966 on Dt: 09-10-2020) against the proposal No. FP/TG/WATER /36146/2018.
(x)	The User Agency shall transfer the funds for the Net Present Value (NPV) of the forest land being diverted under this proposal as per the orders of the Hon'ble Supreme Court dated 28.03.2008, 24.04.2008 and 09.05.2008 in Writ Petition (Civil) No. 202/1995 and the guidelines issued by this Ministry vide its letter No. 5-3/2007- FC dated 05.02.2009 through online portal of CAMPA account of the State Concerned;	
(xi)	At the time of payment of the NPV at the then prevailing rate, the user agency shall furnish an undertaking to pay the additional amount of NPV, if so determined as per the decision of the Hon'ble Supreme Court/Government of India;	Pertains to Medchal-Malkajgiri District.
(xii)	The user agency should ensure that the compensatory levies (CA cost, NPV, etc.) are deposited through challan generated online on web portal and deposited in appropriate bank online only. Amount deposited through other mode will not be accepted as compliance of the Stage- I clearance;	The User agency has deposited an amount of Rs.85,77,95,450/- towards CA, NPV, 25% of CA cost for SMC works, WL Plan, Gap Planting, etc., in Adhoc CAMPA account of Telangana state (Corporation Bank of India A/C No.155705336146909 vide UTR No. UTIBR52020100900353966 on Dt: 09-10-2020) against the proposal No. FP/TG/WATER /36146/2018.
xiii)	Any fund received from the user agency under the project, except the funds realized for regeneration / demarcation of safety zone, shall be transferred to CAMPA through Online-portal of Ad-hoc CAMPA account of the	Pertains to Medchal-Malkajgiri District.

	State Concerned;	
(xiv)	The User Agency shall prepare and implement the R & R Plan as per the R&R policy of State Government in consonance with National R & R policy, Government of India before commencement of the project work and implementation. The said R&R plan will be monitored by the state government / Regional office of MoEF & CC along with indicators for monitoring and expected observable milestones, if applicable;	
(xv)	The User Agency shall obtain the Environment Clearance as per the provisions of the Environmental (Protection) Act, 1986, if applicable;	Pertains to Medchal-Malkajgiri District.
(xvi)	The User Agency shall obtain clearance from the Standing Committee of NBWL for areas falling in the protected area and its Eco-Sensitive Zone before commencement of work, if applicable;	
(xvii)	Copy of approved Catchment Area Treatment (CAT) Plan, if applicable shall be submitted in accordance to para no. 4.8 (i) of Forest (Conservation) Act, 1980 Handbook and commensurate funds shall be deposited in the account of CAMPA through on-line portal;	Pertains to Medchal-Malkajgiri District.
(xviii)	The user agency shall carry out muck disposal at pre-designated sites in such a manner so as to avoid its rolling down with approval plan;	Pertains to Medchal-Malkajgiri District.
(xix)	The dumping area for muck disposal shall be stabilized and reclaimed by planting suitable species by the user agency at the cost of project under the supervision of State Forest Department. Retaining walls and terracing shall be carried out to hold the dumping material in place. Stabilization and reclamation of such dumping sites shall be completed before handing over the same to the State Forest Department in a time bound manner as per Plan;	Pertains to Medchal-Malkajgiri District.
(xx)	The tree felling in the forest area, so diverted, shall only be as per the actual requirement and with prior permission of the competent authority.	Pertains to Medchal-Malkajgiri District.
(xxi)	The User agency shall undertake afforestation along the periphery of the reservoir;	Pertains to Medchal-Malkajgiri District.
(xxii)	There shall be no tree felling between FRL (Full Reservoir Level) and FRL – 4 meters and the forest land located	Pertains to Medchal-Malkajgiri District.

	meters and the forest land located between FRL and the FRL-4 meters may be afforested by planting appropriate indigenous tree species;	
(xxiii)	The User agency shall provide free water for the forestry and wildlife related activities;	Pertains to Medchal-Malkajgiri District.
(xxiv)	Layout plan of the proposal shall not be changed without the prior approval of the Central Government;	Pertains to Medchal-Malkajgiri District.
(xxv)	No labour camp shall be established on the forest land;	Pertains to Medchal-Malkajgiri District.
(xxvi)	The forest land shall not be used for any purpose other than that specified in the proposal and under no circumstances be transferred to any other agency, department or person;	Pertains to Medchal-Malkajgiri District.
(xxvii)	The State Government shall ensure that the user agency shall provide alternate fuels to the laborers and the staff working at the site so as to avoid any damage and pressure on the nearby forest areas;	Pertains to Medchal-Malkajgiri District.
(xxviii)	Boundary of the forest land proposed to be diverted shall be demarcated on ground at the project cost, by erecting four feet high reinforced cement concrete pillars, each inscribed with its serial number, forward and back bearing, distance from pillar to pillar and GPS co-ordinates;	Pertains to Medchal-Malkajgiri District.
(xxix)	The State Government shall complete settlement of rights, in terms of the Scheduled Tribes and Other Traditional Forest Dwellers (Recognition of Forest Rights) Act, 2006, if any, on the forest land to be diverted and submit the documentary evidence as prescribed by this Ministry in its letter No. 11-9/1998-FC (pt.) dated 03.08.2009 read with 05.07.2013, in support thereof:	Pertains to Medchal-Malkajgiri District.
(xxx)	No damage to the flora and fauna of the adjoining area shall be caused;	Pertains to Medchal-Malkajgiri District.
(xxxi)	The user agency shall explore the possibility of translocation of maximum number of trees identified to be felled and shall ensure that any tree felling shall be done only when it is unavoidable and that too under strict supervision of the State Forest Department;	Pertains to Medchal-Malkajgiri District.
(xxxii)	User agency either himself or through the State Forest Department shall undertake gap planting and soil & moisture conservation activities. The plan for plantation and SMC activities will be prepared and submitted to	Pertains to Medchal-Malkajgiri District.

	MoEF &CC before Stage-II Clearance;	
(xxxiii)	The User Agency shall submit the annual self -compliance report in respect of the above stated conditions to the State Government, concerned Regional Office and to this Ministry by the end of March every year regularly;	Pertains to Medchal-Malkajgiri District.
(xxxiv)	The Violation of any of these conditions will amount to violation of Forest (Conservation) Act, 1980 and action would be taken as per the para 1.21 of comprehensive guidelines issued vide this Ministry F. No.5-2/2017-FC dated 28th March, 2019;	Pertains to Medchal-Malkajgiri District.
(xxxv)	Any other condition that the concerned Regional Office of this Ministry may stipulate with the approval of competent authority in the interest of conservation, protection and development of forests & wildlife; and	Pertains to Medchal-Malkajgiri District.
(xxxvi)	The user agency shall comply all the provisions of the all Acts, Rules, Regulations, Guidelines, Hon'ble Court Order (s) and NGT Order (s) pertaining to this project, if any, for the time being in force, as applicable to the project.	Pertains to Medchal-Malkajgiri District.
(xxxvii)	The compliance report shall be uploaded on e-portal (https://parivesh.nic.in/).	Complied.

In this regard, it is submitted that the User Agency has fulfilled all the conditions stipulated by Regional Office, MoEF & CC, Chennai and Prl.Chief Conservator of Forests(HoFF), Telangana, Hyderabad and proposal is recommended for obtaining final Stage-II approval for diversion of Forest land 409.53 ha in Medchal Forest Division under Medchal district for construction of 5 TMC water storage Reservoir (with its utilization twice to serve 10 TMC of water) at Keshavapuram with associated components under Godavari River source for drinking water requirements to the Hyderabad City in favour of HMWSSB.

This is submitted for favour of information and necessary action.

Encls.: As above.

/ Yours faithfully,

Sugnanno

In compliance to the reference 2nd cited, it is submitted that the Principal Chief Conservator of Forests, Telangana, Hyderabad has communicated Stage-I approval for diversion of Forest land to an extent of 409.53 ha in Medchal Forest Division under Medchal District –For construction of 5 TMC water storage reservoir (with its utilization twice to serve 10 TMC of water) at Keshavapuram with associate components under Godavari River Source for Drinking water requirements to the Hyderabad City in favor of HMWSSB and requested to obtain the condition wise compliance report by the U/A for final approval.

Accordingly, the compliance report has been obtained from the UA by the DFO,BhadradriKothagudemand vide ref 3rdcited, the DFO,BhadradriKothagudemhas submitted the condition wise compliance on the stage-I approval and the condition wise compliance report as follows:

C.No	Condition	Reply	
(i)	Legal status of the diverted forest land shall remain unchanged;	Pertains to Medchal-Malkajgiri District.	
(II)	State Government would encourage plantation of bamboo along with tree species in the degraded forest land proposed for CA;	The CA scheme will be implemented in Kothagudem, Manuguru& WLM Kinnerasani Divisions by taking into consideration of plantation of bamboo along with tree species in the degraded forest land proposed for CA.	
(iii)	State Government may ensure that at a time only 5 TMC water may be stored in the reservoir and furnish an undertaking in this regard;	t Pertains to Medchal-Malkajgiri District.	
(iv)	Non Forest Land proposed for CA at Regonda (23.2816 ha. patch) is having an Adit tunnel beneath the ground but the site is suitable for afforestation (as per Site Inspection Report of Regional		

Office). Therefore, an NOC may be obtained from the Water Resources Department of the State Government; Compensatory Afforestation (CA) over (v) the non-forest land, equal in extent to the area of forest land being diverted shall be raised within a period of three years with effect from the date of issue of Stage-II clearance and maintained thereafter in accordance with the approved Plan in consultation with the State Forest Department at the cost of the user agency. At least 1000 saplings per hectare shall be planted over 409.53 ha. (409530 plants). If it is not possible to plant these many seedlings in the identified CA land, balance seedlings will be planted in other suitable degraded forest land as per the prescriptions of the Working Plan at the cost of the User agency. In such case CA cost will be revised and duly approved by competent authority and deposited through online in the CAF managed by CAMPA;

The details of degraded forest CA lands identified to meet the requirement of planting 1000 plats per haare as follows:

Division Block Name		Compt . No.	Area in Ha.
Kothagu	Penagadapa	29 & 30	40.00

Manuguru		47,02,920
WLM Kinnerasani	an Silmon and	3,17,32,740
Total	HSMA IV	8,03,90,861

(vi)

(vii)	The non-forest land identified for raising CA shall be transferred and mutated in favour of the State Forest Department and shall be notified as Reserved Forest or Protected Forest under the provisions of the Indian Forest Act, 1927 or under the relevant Section(s) of the local Forest Act before issue of the Stage -II/Final approval;	YadadriBhuvanagiri District.
(viii)	The land identified for the purpose of CA shall be clearly depicted on a Survey of India topo-sheet of 1:50,000 scale;	Enclosed.
(ix)	The User Agency shall transfer the cost of raising and maintaining the CA at the current wage rate in consultation with State Forest Department in the account of CAMPA of the concerned State through online portal. The scheme may include appropriate provision for anticipated cost increase for works scheduled for subsequent years;	The User agency has deposited an amount of Rs.18,07,57,425/- towards compensatory afforestation in DFL areas of BhadradriKothagudem district which is part of total amount of Rs.85,77,95,450/-deposited in Adhoc CAMPA account of Telangana state (Corporation Bank of India A/C No.155705336146909 vide UTR No. UTIBR52020100900353966 on Dt: 09-10-2020) against the proposal No. FP/TG/WATER /36146/2018.
(x)	The User Agency shall transfer the funds for the Net Present Value (NPV) of the forest land being diverted under this proposal as per the orders of the Hon'ble Supreme Court dated 28.03.2008, 24.04.2008 and 09.05.2008 in Writ Petition (Civil) No. 202/1995 and the guidelines issued by this Ministry vide its letter No. 5-3/2007- FC dated 05.02.2009 through online portal of CAMPA account of the State Concerned:	
(xi)	At the time of payment of the NPV at the then prevailing rate, the user agency shallfurnish an undertaking to pay the additional amount of NPV, if so determined as per the decision of the Hon'ble Supreme Court/Government of India;	Pertains to Medchal-MalkajgiriDistrict.
(xii)	The user agency should ensure that the compensatory levies (CA cost, NPV, etc.) are deposited through challan generated online on web portal and deposited in appropriate bank online only. Amount deposited through other mode will not be accepted as compliance of the Stage- I clearance;	The User agency has deposited an amount of Rs.85,77,95,450/- towards CA, NPV, 25% of cost of CA for SMC works, WL Plan, Gap Planting, etc., in Adhoc CAMPA account of Telangana state (Corporation Bank of India A/C No.155705336146909 vide UTR No. UTIBR52020100900353966 on Dt: 09-10-2020) against the proposal No. FP/TG/WATER /36146/2018.
(xiii)	Any fund received from the user agency under the project, except the funds realized for regeneration / demarcation of safety zone, shall be transferred to CAMPA through Online-portal of Ad-hoc CAMPA account of the State Concerned;	Pertains to Medchal-MalkajgiriDistrict.

(xiv)	The User Agency shall prepare and implement the R & R Plan as per the R&R policy of State Government in consonance with National R & R policy, Government of India before commencement of the project work and implementation. The said R&R plan will be monitored by the state government / Regional office of MoEF& CC along with indicators for monitoring and expected observable milestones, if applicable;	
(xv)	The User Agency shall obtain the Environment Clearance as per the provisions of the Environmental (Protection) Act, 1986, if applicable;	Pertains to Medchal-MalkajgiriDistrict.
(xvi)	The User Agency shall obtain clearance from the Standing Committee of NBWL for areas falling in the protected area and its Eco-Sensitive Zone before commencement of work, if applicable;	Pertains to Medchal-MalkajgiriDistrict.
(xvII)	Copy of approved Catchment Area Treatment (CAT) Plan, if applicable shall be submitted in accordance to para no. 4.8 (i) of Forest (Conservation) Act, 1980 Handbook and commensurate funds shall be deposited in the account of CAMPA through on-line portal;	
(xviii)	The user agency shall carry out muck disposal at pre-designated sites in such a manner so as to avoid its rolling down with approval plan;	Pertains to Medchal-MalkajgiriDistrict.
(xix)	The dumping area for muck disposal shall be stabilized and reclaimed by planting suitable species by the user agency at the cost of project under the supervision of State Forest Department. Retaining walls and terracing shall be carried out to hold the dumping material in place. Stabilization and reclamation of such dumping sites shall be completed before handing over the same to the State Forest Department in a time bound manner as per Plan;	
(xx)	The tree felling in the forest area, so diverted, shall only be as per the actual requirement and with prior permission of the competent authority.	Pertains to Medchal-MalkajgiriDistrict.
(xxi)	The User agency shall undertake afforestation along the periphery of the reservoir;	Pertains to Medchal-MalkajgiriDistrict.
(xxii)	There shall be no tree felling between FRL (Full Reservoir Level) and FRL – 4 meters and the forest land located between FRL and the FRL-4 meters may be afforested by planting appropriate indigenous tree species;	Pertains to Medchal-MalkajgiriDistrict.

(xxiîi)	The User agency shall provide free water for the forestry and wildlife related activities;	Pertains to Medchal-MalkajgiriDistrict.
(xxiv)	Layout plan of the proposal shall not be changed without the prior approval of the Central Government;	Pertains to Medchal-MalkajgiriDistrict.
(xxv)	No labour camp shall be established on the forest land;	Pertains to Medchal-MalkajgiriDistrict.
(xxvi)	The forest land shall not be used for any purpose other than that specified in the proposal and under no circumstances be transferred to any other agency, department or person;	Pertains to Medchal-MalkajgiriDistrict.
(xxvii)	The State Government shall ensure that the user agency shall provide alternate fuels to the laborers and the staff working at the site so as to avoid any damage and pressure on the nearby forest areas;	Pertains to Medchal-MalkajgiriDistrict.
(xxviii)	Boundary of the forest land proposed to be diverted shall be demarcated on ground at the project cost, by erecting four feet high reinforced cement concrete pillars, each inscribed with its serial number, forward and back bearing, distance from pillar to pillar and GPS co-ordinates;	
(xxix)	The State Government shall complete settlement of rights, in terms of the Scheduled Tribes and Other Traditional Forest Dwellers (Recognition of Forest Rights) Act, 2006, if any, on the forest land to be diverted and submit the documentary evidence as prescribed by this Ministry in its letter No. 11-9/1998-FC (pt.) dated 03.08.2009 read with 05.07.2013, in support thereof:	Pertains to Medchal-MalkajgiriDistrict.
(xxx)	No damage to the flora and fauna of the adjoining area shall be caused;	Pertains to Medchal-MalkajgiriDistrict.
(xxxi)	The user agency shall explore the possibility of translocation of maximum number of trees identified to be felled and shall ensure that any tree felling shall be done only when it is unavoidable and that too under strict supervision of the State Forest Department;	Pertains to Medchal-MalkajgiriDistrict.
(xxxii)	User agency either himself or through the State Forest Department shall undertake gap planting and soil & moisture conservation activities. The plan for plantation and SMC activities will be prepared and submitted to MoEF&CC before Stage-II Clearance;	Pertains to Medchal-MalkajgiriDistrict.
(xxxiii)	The User Agency shall submit the annual self -compliance report in respect of the above stated conditions to the State Government, concerned Regional Office and to this Ministry by the end of March every year regularly;	Pertains to Medchal-MalkajgiriDistrict.

(xix)	down with approval plan; The dumping area for muck disposal shall be stabilized and reclaimed by	Pertains to Medchal-Malkajgiri District.
	planting suitable species by the user agency at the cost of project under the	
	supervision of State Forest Department. Retaining walls and	
	terracing shall be carried out to hold the dumping material in place.	
	Stabilization and reclamation of such dumping sites shall be completed before handing over the same to the	
	State Forest Department in a time bound manner as per Plan;	
(xx)	The tree felling in the forest area, so diverted, shall only be as per the	Pertains to Medchal-Malkajgiri District.
	actual requirement and with prior permission of the competent authority.	
(xxi)	The User agency shall undertake	Pertains to Medchal-Malkajgiri District.
	afforestation along the periphery of the reservoir;	
(xxii)	There shall be no tree felling between FRL (Full Reservoir Level) and FRL – 4 meters and the forest land located	Pertains to Medchal-Malkajgiri District.

	between FRL and the FRL-4 meters	
	may be afforested by planting	
	appropriate indigenous tree species;	
(xxiii)	The User agency shall provide free water for the forestry and wildlife related activities;	
(xxiv)	Layout plan of the proposal shall not be changed without the prior approval of the Central Government;	Pertains to Medchal-Malkajgiri District.
(xxv)	No labour camp shall be established on the forest land;	Pertains to Medchal-Malkajgiri District.
(xxvi)	The forest land shall not be used for any purpose other than that specified in the proposal and under no circumstances be transferred to any other agency, department or person;	Pertains to Medchal-Malkajgiri District.
(xxvii)	The State Government shall ensure that the user agency shall provide alternate fuels to the laborers and the staff working at the site so as to avoid any damage and pressure on the nearby forest areas;	Pertains to Medchal-Malkajgiri District.
(xxviii)	Boundary of the forest land proposed to be diverted shall be demarcated on ground at the project cost, by erecting four feet high reinforced cement concrete pillars, each inscribed with its serial number, forward and back bearing, distance from pillar to pillar and GPS co-ordinates;	Pertains to Medchal-Malkajgiri District.
(xxix)	The State Government shall complete settlement of rights, in terms of the Scheduled Tribes and Other Traditional Forest Dwellers (Recognition of Forest Rights) Act, 2006, if any, on the forest land to be diverted and submit the documentary evidence as prescribed by this Ministry in its letter No. 11-9/1998-FC (pt.) dated 03.08.2009 read with 05.07.2013, in support thereof:	Pertains to Medchal-Malkajgiri District.
(xxx)	No damage to the flora and fauna of the adjoining area shall be caused;	Pertains to Medchal-Malkajgiri District.
(xxxi)	The user agency shall explore the possibility of translocation of maximum number of trees identified to be felled and shall ensure that any tree felling shall be done only when it is unavoidable and that too under strict supervision of the State Forest Department;	Pertains to Medchal-Malkajgiri District.
(xxxii)	User agency either himself or through the State Forest Department shall undertake gap planting and soil & moisture conservation activities. The plan for plantation and SMC activities will be prepared and submitted to MoEF&CC before Stage-II Clearance;	Pertains to Medchal-Malkajgiri District.

		•
(xxxiii)	The User Agency shall submit the annual self -compliance report in respect of the above stated conditions to the State Government, concerned Regional Office and to this Ministry by the end of March every year regularly;	Pertains to Medchal-Malkajgiri District.
(xxxiv)	The Violation of any of these conditions will amount to violation of Forest (Conservation) Act, 1980 and action would be taken as per the para 1.21 of comprehensive guidelines issued vide this Ministry F. No.5-2/2017-FC dated 28th March, 2019;	Pertains to Medchal-Malkajgiri District.
(xxxv)	Any other condition that the concerned Regional Office of this Ministry may stipulate with the approval of competent authority in the interest of conservation, protection and development of forests & wildlife; and	Pertains to Medchal-Malkajgiri District.
(xxxvi)	The user agency shall comply all the provisions of the all Acts, Rules, Regulations, Guidelines, Hon'ble Court Order (s) and NGT Order (s) pertaining to this project, if any, for the time being in force, as applicable to the project.	Pertains to Medchal-Malkajgiri District.
(xxxvii)	The compliance report shall be uploaded on e-portal (https://parivesh.nic.in/).	Complied.

In this regard, it is submitted that the User Agency has fulfilled all the conditions stipulated by Regional Office, MoEF& CC, Chennai and Prl.Chief Conservator of Forests(HoFF), Telangana, Hyderabad and proposal is recommended for obtaining final Stage-II approval for diversion of Forest land 409.53 ha in Medchal Forest Division under Medchal district for construction of 5 TMC water storage Reservoir (with its utilization twice to serve 10 TMC of water) at Keshavapuram with associated components under Godavari River source for drinking water requirements to the Hyderabad City in favour of HMWSSB.

This is submitted for favour of information and necessary action.

Encls.: As above.

Tota's faithfully

District Forest Officer, BhadrdadriKothagudem

Copy submitted to the Prl.Chief Conservator of Forests (HoFF), Hyderabadfor favour of information.
