Subject: Proposal for seeking prior approval of the Central Government under Section 2 (1) (ii) of the Van (Sanrakshan Evam Samvardhan) Adhiniyam, 1980 for diversion of 53.142 ha forest land in compartment No PF-261, Waidhan Range of Singrauli Forest Division for Khadia Expansion Open Cast Coal Mine Project by M/s Northern Coalfields Ltd. (NCL) under Singrauli District of Madhya Pradesh State (Online No. FP/MP/MIN/149270/2021) - regarding.

Madam/Sir,

I am directed to refer to the Government of Madhya Pradesh's letter no. F-1/844/2023/10-11/695 dated 31.01.2024 on the above mentioned subject, seeking prior approval of the Central Government under Section 2 (1) (ii) of the Van (Sanrakshan Evam Samvardhan) Adhiniyam, 1980 and to say that the proposal has been examined by the Advisory Committee constituted by the Central Government under Section-3 of the aforesaid Adhiniyam.

2. After careful examination of the proposal of the State Government and on the basis of the recommendations of the Advisory Committee and with due approval of the competent authority, the Central Government hereby accords '**in-principle**' approval under Section 2 (1) (ii) of the Van (Sanrakshan Evam Samvardhan) Adhiniyam, 1980 for diversion of 53.142 ha forest land in compartment No PF-261, Waidhan Range of Singrauli Forest Division for Khadia Expansion Open Cast Coal Mine Project by M/s Northern Coalfields Ltd. (NCL) under Singrauli District of Madhya Pradesh State subject to fulfilment of the following conditions:

- i. Legal status of the diverted forest land shall remain unchanged;
- ii. *The user agency/NCL shall ensure the maintenance of the safety zone around the entire cluster of operational mines in the landscape;*
- iii. *A part of the area earlier diverted for the Bina OCP is proposed to be used for Khadia OCP. In this regard the state has to ensure that such transfer is allowed only with the prior approval of the central government;*
- iv. *Reclamation works have been done by the User agencies in various mines in the landscape. However, there is a need to strengthen and improve upon the*

reclamations. At many places gully erosions due to rainfall were noticed which are required to be controlled by employing various appropriate measures. A plan for the restoration/reclamation of such areas shall be prepared and executed by the user agency in consultation with the state forest department;

- v. Compensatory Afforestation on the identified Non-Forest/ Revenue land over an area of 53.142 ha in the Village Ghughari Range Hatta, Khasra No 73, Damoh District of Madhya Pradesh State shall also be raised at the project cost under the supervision of the State Forest Department and afforestation works shall start within two years from the date of final approval and maintained thereafter in accordance with the approved CA scheme in consultation with the State Forest Department;
- vi. The User Agency shall transfer the cost of raising and maintaining the compensatory afforestation as per the approved CA scheme at the current wage rate in consultation with State Forest Department in the account of CAMPA of the concerned State through online portal;
- vii. The cost of survey, demarcation and erection of permanent pillars, if required on the identified CA land, shall be deposited in advance with the Forest Department by the user agency. The CA will be maintained for 10 years. The scheme may include afforestation of indigenous species with appropriate provision for anticipated cost increase for works scheduled for subsequent years;
- viii. The non-forest land identified for raising compensatory afforestation shall be transferred and mutated in favour of the State Forest Department before issue of the final approval;
- ix. The non-forest land transferred and mutated in favour of the State Forest Department or the revenue forest land, as the case may be, shall be notified by the State Government as Protected Forests under section 29 of the Indian Forest Act, 1927 or under the relevant section(s) of the local Forest Act, before handing over the forest land to the user agency;
- x. The State Government shall charge the Net Present Value (NPV) of the forest land being diverted under this proposal from the User Agency as per the orders of the Hon'ble Supreme Court of India dated 28.03.2008, 24.04.2008 and 09.05.2008 in Writ Petition (Civil) No. 202/1995 and the guidelines issued by this Ministry vide its letter No. 5-3/2007-FC (pt.) dated 29.12.2023 in this regard;
- xi. At the time of payment of the Net Present Value (NPV) at the present rate, the User Agency shall furnish an undertaking to pay the additional amount of NPV, if so determined, as per the final decision of the Hon'ble Supreme Court of India;
- xii. All the funds received from the user agency under the proposal shall be transferred/deposited in CAMPA account only through e-portal (<https://parivesh.nic.in/>). Amount deposited through other mode will not be accepted as compliance of the Stage-I clearance;
- xiii. The State Government shall upload the KML files of the area under diversion and area earmarked for CA in the e-Green watch portal of FSI, before handing over forest land to the user agency;
- xiv. The User Agency shall obtain the Environment Clearance as per the provision of the Environmental (Protection) Act, 1986, if required;

- xv. The User Agency shall undertake mining in a phased manner after taking due care for reclamation of the mined out area. The User Agency shall prepare a detailed plan for life of project as per mining plan, clearly linking the progress of mining and felling of the trees. Felling of trees shall be done, when it is absolutely necessary in phase-wise manner in the areas which become due for mining as per mining plan. The concurrent Reclamation Plan as per the approved Mining Plan shall be executed by the User Agency from the very First year, and an annual report on implementation thereof shall be submitted to the Nodal Officer, Van (Sanrakshan Evam Samvardhan) Adhiniyam, 1980, in the concerned State Government and the concerned Regional Office of the Ministry. If it is found from the annual report that the activities indicated in the concurrent reclamation plan are not being executed by the User Agency, the Nodal Officer or the Chief Conservator of Forests (Central) may direct that the mining activities shall remain suspended till such time, such reclamation activities are satisfactorily executed;
- xvi. The user agency shall prepare a schedule for surrender of the mined out and reclaimed forest land in accordance with existing mining plan and submit the same along with an undertaking to surrender the mined out and reclaimed forest land as per such schedule to the MoEF&CC before grant of 'Final' approval under the Adhiniyam for diversion of the said forest land;
- xvii. The rehabilitated forest area after closure of mining operations shall be handed over to the State Forest Department for sustainable forest management in the future;
- xviii. Safety Zone Management: Following activities, at project cost, shall be undertaken by the user agency for the management of safety zone as per relevant guidelines issued by the Ministry's guidelines:
 - a. User agency shall ensure demarcation of safety zone (7.5 meter strip all along the inner boundary of the mining lease area), and its fencing, protection and regeneration by erecting adequate number of 6 feet high RCC boundary pillars inscribed with DGPS coordinates with barbed wire fencing and deploying adequate number of watchers under the supervision of the. State Forest Department;
 - b. Boundary of the safety zone of the mining lease, adjacent to habitation/roads, should be properly fenced by the user agency;
 - c. Safety zone shall be maintained as green belt around mining lease and to ensure dense canopy in the area, regeneration shall be taken up in this area by the user agency at project cost under the supervision of the State Forest Department; and
 - d. The State Government and the user agency shall ensure that safety zone is maintained as per the prescribed norms.
- xix. Following activities, as per approved plan / schemes, shall be undertaken in the lease area by the User Agency under the supervision of the State Forest Department:
 - a. Mitigative measures to minimize soil erosion and choking of stream shall be implemented within a period of three years with effect from the issue of final approval in accordance with the approved Plan in consultation with the State Forest Department;

- b. Planting of adequate drought hardy plant species and sowing of seeds, in the appropriate area within the mining lease to arrest soil erosion in accordance with the approved scheme;
 - c. Construction of check dams, retention /toe walls to arrest sliding down of the excavated material along the contour in accordance with the approved scheme;
 - d. Stabilize the overburden dumps by appropriate grading/benching, in accordance with the approved scheme, so as to ensure that angles of repose at any given place is less than 28°;
 - e. No damage shall be caused to the top-soil and the user agency will follow the top soil management plan.
-
- xx. The validity of approval granted under the Adhiniyam shall be for a period coterminous with the validity of the mining lease proposed to be granted under the Mines and Minerals (Development and Regulation) Act, 1957, as amended from time to time or Rules framed there under, or for such period as may be specified by the Central Government;
 - xxi. The User Agency either himself or through the State Forest Department shall undertake gap planting and soil and moisture conservation activities to restock and rejuvenate the degraded open forests (having crown density less than 0.40), if any, located within the periphery of 100 m from outer perimeter of the mining lease as per approved plan for plantation and SMC activities submitted along with compliance of 'in-principle' approval;
 - xxii. The User Agency shall regularly undertake desilting of village tanks and other water bodies, located within five km from the mine lease boundary, as per approved plan, to mitigate the impact of project on such tanks/water bodies;
 - xxiii. The User Agency shall comply with the Hon'ble Supreme Court order on re-grassing, and re-grass the mining area and any other areas which may have been disturbed due to mining to restore them to a condition which is fit for growth of fodder, flora, fauna, etc. in a timely manner;
 - xxiv. Adequate care shall be taken to check any rolling of overburden/dumps beyond the designated area and to check soil erosion caused due to mining activities;
 - xxv. The User agency will undertake comprehensive soil conservation measures at the project cost in consultation with the State Forest Department. A scheme of the same shall be submitted to the Ministry along with the 'in-principle' approval;
 - xxvi. The R&R Plan shall be implemented as per the R&R Policy of State Government in consonance with National R&R Policy, Government of India before the commencement of the project work and implementation. The said R&R Plan will be monitored by the State Government/Regional Office of MoEF&CC along with indicators for monitoring and expected observable milestones;
 - xxvii. The user agency shall explore the possibility of translocation of maximum number of trees identified to be felled;
 - xxviii. The cost of felling of trees shall be deposited by the User Agency with the State Forest Department;
 - xxix. The User Agency shall obtain the Environment Clearance as per the provisions of the Environmental (Protection) Act, 1986, if required;

- xxx. No labour camp shall be established on the forest land and the User Agency shall provide fuels preferably alternate fuels to the labourers and the staff working at the site so as to avoid any damage and pressure on the nearby forest areas;
- xxxi. The boundary of the diverted forest land, mining lease and safety zone, as applicable, shall be demarcated on ground at the project cost, by erecting four feet high reinforced cement concrete pillars, each inscribed with its serial number, distance from pillar to pillar and GPS coordinates;
- xxxii. The layout plan of the proposal shall not be changed without the prior approval of the Central Government and the forest land shall not be used for any purpose other than that specified in the proposal except the change in land use allowed on the forest land vide Ministry's guideline dated 26.12.2024;
- xxxiii. The forest land proposed to be diverted shall under no circumstances be transferred to any other agency, department or person without prior approval of the Central Government;
- xxxiv. No damage to the flora and fauna of the adjoining area shall be caused;
- xxxv. The user agency shall comply all the provisions of the all Acts, Rules, Regulations, Guidelines, Hon'ble Court Order (s) and NGT Order (s) pertaining to this project, if any, for the time being in force, as applicable to the project;
- xxxvi. The User Agency shall submit the annual self -compliance report in respect of the above stated conditions to the State Government, concerned Regional Office and to this Ministry by the end of March every year regularly;
- xxxvii. Any other condition that the Ministry of Environment, Forests & Climate Change may stipulate from time to time in the interest of conservation, protection and development of forests & wildlife;
- xxxviii. Violation of any of these conditions will amount to violation of Van (Sanrakshan Evam Samvardhan) Adhiniyam, 1980 and action would be taken as prescribed in para 1.16 of consolidated guidelines and clarifications issued under Van (Sanrakshan Evam Samvardhan) Adhiniyam, 1980 as issued by this Ministry on dated 29.12.2023;
- xxxix. The compliance report shall be uploaded on e-portal(<https://parivesh.nic.in/>).
