

**Inspection notes of the Divisional Forest Officer, Narsipatnam on the Road Proposals received from the User Agency i.e., Executive Engineer Panchayati Raj, Paderu for the road proposed from Lammasingi to Busilikota via Kitumulu in Chintapalli Mandal on 21/10/2014**

Inspected the proposed road from Lammasingi to Busilikota via Kitumulu on 21-10-2014 accompanied with Forest Range Officer, Narsipatnam, I/c Chintapalli and Asst. Executive Engineer, PR, Chintapalli. The said proposed road is forest coupe road existing with 3.5 to 4.0 m. width. As per the DGPS Survey the proposed road starts with GPS readings N:17.84161 E:082.52327 and ends at N:17.84588 E:082.57823. The proposed road width is 6.5 m. and out of 8,700 m. of total length of the road, 7,526.89 m. length is passing through Compt. no.1147,1148 & 1149 of Sanivaram R.F. with a diversion of 4.9 ha. There is no tree growth along the width of the road proposed. The density of the forests on either side of the proposed width of the road varies from 0 to 0.2. There is an every necessity for the improvement of this road for the movement of the villagers of Busilikota and Kitumula for their day to day movement to hospitals and education for school going children and to improve their marketing facilities for their agricultural products. It is also essential for the forest department protection point of view to approach to the other side of the Kalyanapulova to control illicit acts. There is no violation of work taken place and the required forest area is unavoidable and no endangered and unique species of flora and fauna and no protected archeological heritage importance in this locality.
