

SITE INSPECTION REPORT NOT BELOW THE RANK OF DCF
(For the forest land to be diverted under FCA)

A proposal has been received by this office from National BUILDINGS CONSTRUCTION under FCA-1980) OF 0.2075 ha. Of forest land non-forestry purpose. The Project envisages the use of forest land for Re-Construction of 80 m. Suspension Bridge over river Yamuna near Badiya Village, Ditt Uttarkashi. The site inspection of the land involved in the proposal has been done by me on dated 22-4-2015

On inspection of the site, it is found that the land required by the user agency is a RF/PF/un-classed/Other forests measuring 0.2075 ha.

The requirement of forest land as proposed by the user agency in Col.2 part-1 is unavoidable and is barest minimum required for the project.

Whether any rare/endangered/unique species of flora and fauna found in the area. If, so the details there of :- No

Whether any protected archeological/heritage site/defence establishment or any other important monument is located in the area, if, so the details thereof with NOC from competent authority, if required :- Nil

The user agency has not violated the provision of forest (Conservation), Act 1980. The user agency has started the work in reserve forest which was immediately stopped by local staff. One pillar in civil soyam land has been completed.

Specific recommendation for acceptance or otherwise of the proposal- The pillar in the civil soyam land has been completed and the Govt. Of Uttarakhand has approved the construction. The requirement of reserve forest land is of a very small quantity (0.2075) ha. The construction of bridge will facilitate the movement of villagers. The acceptance of the proposal is hereby recommended.
