

Site Inspection Report

(for the Forest Land proposed to be diverted under FCA)

A proposal has been received by this office from officer (R.O.U) GSPC Gas Company Ltd. Gandhinagar for Permission for diversion (under FCA) of 0.8210 Ha. Of Forest land for non-forestry purpose i.e. for Natural gas pipeline to supply natural gas to various en-route villages in taluka Jalalpor and Navsari in Navsari District of the State of Gujarat. The site inspection of the land involved in the proposal has been done by me on 26/02/2015 on Inspection of the site it is found that the land required by the user agency is a protected Forest and measuring 0.8210 ha. The requirement of Forest land as proposed by the user agency in col 2 of part -I is unavoidable and barest minimum for the Project. No archaeological / heritage site / defence establishment or any other important monuments is located in the area. No rare / endangered / unique species of flora and fauna found in the area. **It is recommended to divert this land for the purpose.**

- (a) The use agency has not violated the provision of forest (Conservation) Act-1980 and no work has been started without proper sanction.
- (b) It has been found that the user agency has violated the FCA provisions and has started the following works without proper sanction under FCA.

Place: Navsari
Date: 27-02-2015
