

Full Title of the Project: **New BG Railway Line from New Moynaguri to Jogighopa**
Proposal No. FA/AS/RAIL/7657/2014

SITE INSPECTION REPORT

A proposal has been received by this office from User Agency, Deputy Chief Engineer (cons.) N.F.Railway, Jogighopa as Part-I for diversion of 15.581 Ha in Dhubri Division and 13.564 Ha in Aie valley Division for diversion of forest land under FC Act,1980. The above stated diversion proposal falls in an area of 10.965 ha in Sreegram Reserved Forests, 2.876 Hectare in Tokrabandha USF & 1.740 Hectare in Santoshpur USF under Dhubri Forest Division and an area of 0.389 Hectare in Bahalpur RF, 1.575 Hectare in Arrearjhar RF, 6.25 Hectare in Rakhalthakur RF & 5.35 Hectare in Nakkati RF under Aie-valley Division These forest areas consisting of mixed species of Sal, Teak, Gamari etc. which needs to be felled for construction of railway line. The sites were inspected by me on 16-02-2015.

The Topography of Forest land in Dhubri Division is plain having red top soil and in Aie Valley Division it is sub hilly with moderate undulating having alluvium soil.

The Sloping of Forest land in Dhubri Division is minimum as the land is plain and in Aie Valley Division towards Southward.

The Vulnerability to erosion of Forest land in Dhubri Division and Aie Valley Division is nil.

No trace of Rare/Endangered/unique Species of flora and fauna are found in the areas.

No Protected Archaeological/Heritage monument/Site are located in the areas.

The requirement of said proposed land by the User Agency is unavoidable and barest minimum requirement for the project.

The user agency has not violated any Rule under F C Act,1980 and no work has been started in forest land areas.

The above Compensatory Afforestation sites in Dhubri & Aie Valley Divisions are accessible and feasible for supervision & monitoring from the management point of view.

Place : Bongaigaon
Date : 16th Feb'2015
