

**INSPECTION NOTE ON THE PROPOSED CONSTRUCTION OF TRANSMISSION  
33 KV LINE THROUGH RONGRENGIRI RESERVE FOREST**

The field inspection was carried out on the **23<sup>rd</sup> June, 2015** alongwith the Divisional Forest Officer, Garo Hills (T) Division.

The proposed transmission line from Williamnagar to Samanda Village drawn along the PWD road will pass through the Rongrengre R.F. The Forest compose of Sal & Makri sal dominating the natural forest. Few wildlife are reported in the R.F.

Since the Electric line will feed power to all villages under Samanda Block for the overall improvement of the Villgers and there is no adverse impact on the forest, the proposed project for diversion of 4.93 ha. is recommended.
