

Site Inspection Report

(For the forest Land proposed to be diverted under FCA)

A proposal has been received by this office from Reliance Gas Pipelines Ltd, Mumbai for permission for Gas Pipeline (under FCA) of 0.0216 Ha. of forest land for non forestry purpose in Bharuch District in the State of Gujarat. The Site Inspection of the land involved in the proposal has been done by me on Dt. 3 /08 /2015

On Inspection of the site it is found that the land required by the user agency is a Protected Forest and measuring 0.0216 ha. The requirement of forestland as proposed by the user agency in col 2 of part – I is unavoidable and barest minimum for the project. No protected, archaeological / heritage site / defence establishment or any other important monuments is located in the area. No rare / endangered / unique species of flora and fauna found in the area. **It is recommended to divert this land for the purpose.**

- √(a) The user agency has not violated the provision of forest (Conservation) Act – 1980 and no work has been started without proper sanction.
- x(b) It has been found that the user agency violated the FCA provisions and has started the following works without proper sanction under FCA.
