

Site Inspection Report

(for the Forest Land proposed to be diverted under FCA)

A proposal has been received by this office from Authorised Signatory, Reliance Gas Pipelines Ltd. Mumbai for permission for diversion (under FCA) of 0.0456 Ha. Of Forest land for non-forestry purpose i.e. for Dahej-Nagothane Ethane Pipeline (DNEPL) Project in Taluka Jalalpor, Navsari, Gandevi and Chikhli in Navsari District of the State of Gujarat. The site inspection of the land involved in the proposal has been done by me on 9/1/2015. On inspection of the site it is found that the land required by the user agency is a protected Forest and measuring 0.0456 ha. The requirement of Forest land as proposed by the user agency in col 2 of part -I is unavoidable and barest minimum for the Project. Non protected, archaeological / heritage site / defence establishment or any other important monuments is located in the area. No rare / endangered / unique species of flora and fauna found in the area. **It is recommended to divert this land for the purpose.**

- ✓(a) The user agency has not violated the provision of forest (Conservation) Act-1980 and no work has been started without proper sanction.
- (b) It has been found that the user agency has violated the FCA provisions and has started the following works without proper sanction under FCA.
