

**PART- III**

(To be filled by the concerned Conservator of Forests)

14.	Whether site, where the forest land involved is located has been inspected by concerned Conservator of forests (Yes/No)/ if yes, the date of inspection & observations made in form of inspection note to be enclosed	Yes, the sites were inspected on 24-06-2015 at all the three points of roadside (notified as P.F) where flyover/underpass are proposed to be constructed on the basis of proposal submitted and inspection note of the D.F.O. The information, s given and observations made by the D.F.O, Gaya were verified at the sites and found correct. The proposal involves diversion of 1.47 Ha. of Forest land which is the barest minimum and the diversion of these Forest land for this instant project will not affect much on the local flora of the area.
15.	Whether the concerned Conservator of Forests agree with the information given in Part- B and the recommendations of Deputy Conservator of Forests.	I do agree with the observations and recommendations made by the D.F.O, Gaya in Part- II
16.	Specific recommendation of concerned Conservator of Forests for acceptance or otherwise of the proposal with detailed reasons.	This is the bare minimum forest land required for the project and is the only viable option. The user agency has not violated the provisions of Forest (Conservation) Act 1980. This instant proposal is recommended for approval on the basis of the facts given by the user agency and the observations made by the D.F.O.
