

SITE INSPECTION REPORT OF DCF

Improvement and widening of existing road of Tlabung-Kawrpuiichhuah Road is to be taken up under World Bank aided Mizoram State Roads Project. Site inspection along the total length from Tlabung to Kawrpuiichhuah was undertaken on 04/11/2016 and comprising of the undermentioned teams and the following observations have been made.

1. Shri Laltanpua, DFO Tlabung
2. Shri Ajay Singh, Project Manager, ABCI
3. Shri Ritesh Tiwari, ABCI
4. Shri Vanlalruatfela, Survey Engineer, Sheladia Associated inc. (PWD)
5. Shri K. Zaliana, Range Officer, Tlabung
6. Shri Zokunga Sailo, Forester, Tlabung

The widening project is going to pass through Riverine Reserved Forests area as follows -

Sl. No.	Design Chainage(Km)		Length (m)	Width(M)		Total Width(m)	Area (Sqm)
	From(Km)	To(Km)		Left(M)	Right(M)		
1	0.000	0.500	500	12	-	12	6000
2	0.500	1.000	1000	12	-	12	12000
3	1.000	1.900	900	12	-	12	10800
4	10.100	10.500	400	12	-	12	4800
5	10.500	11.500	1000	12	-	12	12000
6	11.500	11.850	350	12	-	12	4200
Total			4150				49800

There are no rare and endangered species specifically residing in the project area. The area is free from archaeological / heritage site / defence establishment or any other important monument. As the project merely involves widening of existing road, diversion of land is unavoidable and work has not been initiated in violation of FC Act, 1980.
