

FIELD INSPECTION NOTE OF THE CONSERVATOR OF FORESTS – TRICHY
CIRCLE, TRICHY

1. Name of the project – water supply improvement scheme to Musiri Town Panchayat in Trichy District
2. Name of the RF – Ayyampalayam R.F :- 38.38 Ha – Cauvery River Padugai Land
3. Date of inspection :-17.11.2016.
4. I have inspected the proposed project area on 17.11.2016 which lies in Ayyampalayam RF for the diversion of 0.16 Ha. forest land with District Forest Officer, Trichy and user agency officials.
5. It is a Cauvery river Padugai land situated near by inside the Cauvery river right side river bank, which was leased out to TAFCORN Trichy. In this RF TAFCORN had raised Eucalptus plantation 4 years back. There is no spontaneous growth and no fauna is available.
6. For diversion of forest land involved only 0.16 Ha. It is a very meagre land involved for which TAFCORN have given concurrence for the diversion of Forest land. There is no alternate alignment. Forest land is required for the construction of Foot bridge from the collection well to Cauvery river Bund.
7. This proposal involves providing Cauvery Drinking water supply improvement schemes to Musiri Town Panchayat for diversion of forest land Trichy District by TWAD Board for which Govt. have accorded administrative sanction for Rs. 21.07 crores.
8. Hence I recommend this proposal for diversion of 0.16 Ha to TWAD Board for the above purpose which involves no damage to the existing flora.
