## Site inspection report

I visited the Proposed IHM ,Brambe site on 9 th September , 2015. The area under diversion for Institute of Hotel management ,Brambe consists of GM Jungle Jhari (7.24 acre) and Notified forest land (2.76 acre). The GM Jungle Jhari land was allotted to the health department in 1938 and ever since it is in its possession . The present proposal comes under VOCATIONAL TRAINING and is covered under the general approval by GoI upto 5 hacteres for Ranchi rural area.

2. Notably no construction work is scheduled on Notified forest land. This land is required only for the symmetry of the campus of IHM, Brambe.
3. No unique species of flora and fauna is found in the area.
4. No protected archaeological / heritage site / defence establishment or any other important monument is located in the area.
5. The land required is unavoidable and barest minimum for the project keeping in view the requirement of the buildings in the campus. The size of the plot and the symmetry of the Proposed campus.
6. Some work is being carried out in the deemed forest area ( junglej hari area ) without the permission of the competent authority for its NON- forestry use. This work comprises of construction of offices and Class rooms , hostels, residences for Officers and staff, etc on the Jungle Jhari land . However no violation has been done on the adjoining Notified forest including the area proposed for diversion.
7. The Notified forest area proposed for diversion was part of a nursery which was later closed.
