**SITE INSPECTION REPORT OF THE CONSERVATOR OF FORESTS,
TIRUNELVELI CIRCLE.**

Date of Inspection : 31.12.2015

Division: Kanniyakumari

The following officers accompanied with me for inspection.

- 1) District Forest Officer, Kanniyakumari
- 2) Assistant Conservator of Forests, Kanniyakumari Division
- 3) Forest Range Officer, Boothapandy Range.
- 4) Deputy General Manager (T) & Project Director, NHAI, PIU, Nagercoil.

The proposed area for diversion to form four lane road of Nagercoil to Kavalkinaru section (0/0 to 16/376) of NH – 47 B has been inspected by me on 31.12.2015. The area lies on the edge of the Reserved Forest where practically wildlife is absent and also it forms part of artificial plantation raised during 1998. The new road formation is for the NATIONAL DEVELOPMENT. Hence I accept the recommendations of the District Forest Officer, Kanniyakumari Division for diversion of an extend of 0.88 Ha. of forest land for the above purpose.
