A proposal has been received by this office from H.P.P.W.D. B&R Division Arki for the diversion. (under FCA-1980) of 3.8423 hec. of forest land for non forestry purpose. The subject envisages the use of forest land for construction of village road Danoghat-Sanjha Aara-Neri-Plata. The site inspection of the land involved in the proposal has been done by me on dt. 29/2/2016

On inspection of the site, it is found that the land required by the user agency is a demarcated protected forest namely D-49 Ghrakru and Ser Galotia Chrand measuring 3.8423 hectares.

The requirement of forest land as proposed by the user agency in Col.2 of part-I is unavoidable and is barest minimum required for the project.

No rare/endangered/unique species of flora and fauna found in the area.

No protected archeological/heritage site/defense establishment or any other important monument is located in the area.

**(a) The user agency has not violated the provisions of Forest (Conservation) Act, 1980 and no work has been started without proper sanction.**

(b) The User agency has violated the provisions of Forest(Conservation) Act, 1980 provisions. A detailed report as per para 1.9 f chapter1, Part-C of Handbook of Forest(Conservation) Act 1980 is attached.

Specified recommendation for acceptance or otherwise of the proposal.

All the Govt. land in Kunihar/Solan Forest Division of Solan District has been classified as Forest Land, therefore, no alternative non-forest /Govt. land is available for the project. Hence the project is recommended.
