Site inspection report of the Deputy Conservator of Forest

1. The area proposed for forest clearance (road side PF) is devoid of any vegetation and the area proposed by the user agency is unavoidable and barest minimum for the project hence clearance under Forest Conservation Act may be granted to the user agency.
2. The distance from the proposed petrol pump to the nearest pump is about 8 Kilometres. *South 8 km North in Khame - Marhame Road*
3. The nearest sanctuary i.e. the Bareilla Salim Ali bird sanctuary (Vaishali district) is situated about 100 kilometres from the proposed petrol pump site.
4. All the maps/enumeration list etc. has been duly countersigned and enclosed.
5. Distance from the nearest P.F land: "the land along the proposed road is itself declared as protected forest".
6. Copy of the P.F notification has been enclosed.
