

**INSPECTION REPORT OF THE CONSERVATOR OF FORESTS
TERRITORIAL CIRCLE MEDININAGAR (DALTONGANJ)**

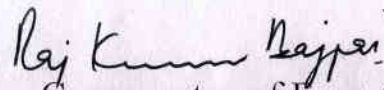

The site under proposal for forest diversion for the propose of construction of new B.G. Rail Line from Tori to Shivpur Passes through Chakla, Bana, Nagar, Chittrpur, Jogiyadih, Baiya, Bukru, Chetar, Seregara, Charra, Manatu and Banalath was inspected by me on 13.05.2016. There is no protected archaeological/heritage site/defence establishment or any other historical monument at the site. Hence, 15.89 ha. (15.86 ha forest land & 0.03 ha. GM-Jangal Jhari)forest land may be diverted as proposed.

 *Bajpai* 20.05.2016.
Conservator of Forests,
Territorial Circle Medininagar,
Medininagar (Daltonganj).

COMMENTS OF CONSERVATOR OF FORESTS, TERRITORIAL
CIRCLE MEDININAGAR & DEPUTY CHIEF WILDLIFE WARDEN,
(DALTONGANJ)

At the site of proposed Tori-Shivpur B.G.Railline the only
Wildlife species reported have been seen sighted there are nilgai, jackals,
rabbits and deer etc. Betla National Park is 45 km away. No rare
endangered/unique species of flora and fauna was found.
