**Inspection note, finding and recommendations with reasons**

The proposed site was inspected by me on 11-08-2015. The Deputy Conservator of Forests, Samastipur Forest Division, and subordinate Forest staffs were present and helped during the inspection. The factual details regarding the proposed site and consequent findings are enumerated below :-

1. The Proposed site is situated on Roshra to Dalsinghsarai road, Village- Kalyanpur bambaya, Thana- Rousra, khata no 01 (old), 1166 (new), khesra no, 6695 & 6725 (old), 1382, 83, 85 (new), Thana no- 08, District-Samastipur, under Samastipur Forest Division.
2. The user agency proposed for diversion of 0.0096 Ha. However the total area is ~~0.03534~~ <sup>0.0764 Ha</sup> Ha of Forest land, The proposed area is a part of Protected Forest vide notification no.189E/190E Dated 16-02-1994.
3. There is no rare/endangered/unique species of flora & fauna in this area. No archeological site is present near the proposed site.
4. The user agency has not done any construction on the Proposed site.

On the basis of the recommendations of the Deputy Conservator of Forests and the inspection made by me, the proposal may be accepted due to following reasons:

1. The density of the road side protected Forest at present is very low. The acceptance of the proposal, if it entails provision of compensatory afforestation along the road side, as is customary, may help to increased forest density & green cover.
2. The Forest area involved in this project is only ~~0.03534~~ <sup>0.0764 Ha</sup> Ha, which is bare minimum & is quite negligible.
