

PART – III
(To be filled by the concerned Conservator of Forests)

14	Whether site, where the forest land involved is located has been inspected by concerned Conservator of Forests (Yes/No). If yes, the date of inspection & observations made in form of inspection note to be enclosed.	Yes, the site was inspected on 15.06.2016. The proposal for diversion of 4.672 ha of forest land is for laying of transmission line (220 KV/DC) from Ramchandrapur to Chaibasa . It includes diversion of 4.052 ha. of protected forests & 0.62 ha. of Jangal-Jhari (Gairmajarua) land falling in the Territorial Jurisdiction of Seraikela Forest Division. The Proposed forest land falls in village Ramchandrapur, Bada Hariharpur, Birajpur and Pratapur of Gamaharia Range. The Forest Land is highly degraded and almost blank with occasional and isolated trees and shrubs like Palash (Butea), Phoenix, Acacia etc. The density of vegetation is about 0.2. The terrain is undulating with gentle to medium slopes and is vulnerable to erosion. The site forms part of Singhbhum elephant Reserve and there is an occasional movement of elephants in the area.
15	Whether the concerned Conservator of Forests agree with the information given in Part-II and the recommendations of Deputy Conservator of Forests.	Yes. Agree with the recommendation of the DFO.
16	Specific recommendation of concerned Conservator of Forests for acceptance or otherwise of the proposal with detailed reasons.	Keeping in view the fact that the forest land proposed is unavoidable and the barest minimum required for the project, and the fact that the transmission line is in public interest, it is recommended for prior approval under the section 2 of the FC Act.
