

## **Site Inspection Report**

Sub :- Diversion of 72.176 ha. of forest land  
in Bhutramanahatti F.S.No. 1/1 of  
Belagavi Division, in favour of the  
Registrar, Rani Channamma University  
- reg....

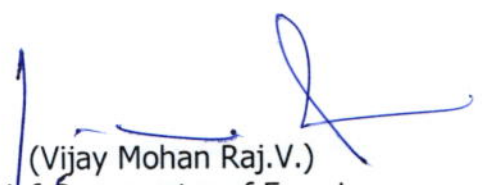

I have inspected the forest land involved in this proposal on 12-9-2016.

The forest land proposed for diversion is 72.176 ha. and falls in Bhutramanahatti F.S.No. 1/1 of Kakti Range in Belagavi Division.

The proposed forest land does not form elephant corridor, National Park or Wildlife Sanctuary. There are no historical monuments, religious, archaeological important structures found in the proposed area. No endangered species of flora and fauna is found in the proposed forest area. The forest land has already been utilized by the user agency thereby violating the provisions of the Forest (Conservation) Act-1980. The forest land demanded for the project is barest minimum and is unavoidable.

This proposal is for establishment of Rani Channamma University. Since, the forest land proposed for diversion has already been utilized by the user agency, the proposal is recommended for diversion of 72.176 Ha. of forest land.
