

**INSPECTION NOTE ON PROPOSAL FOR DIVERSION OF 0.028 HA OF FOREST LAND
AT UPPER SHILLONG PROTECTED FOREST AREA, SAWMER SHITENG FOR
MAKING OF AGANWADI CENTRE BY THE DORBAR DONG SAWMER SHITENG**

The inspection was carried out in the field on **Tuesday the 17th October, 2017**, along with the Assistant Conservator of Forests, i/c Southern Range (T), Shillong.

The area is located at 4½ Mile Upper Shillong. The area falls under Protected Forests Area C/8 and is a barren land adjacent to Presbyterian Church 4 ½ Mile. The proposed area is about 50 to 60 metres away from National Highway and that the area is very close with the proposed ongoing development of 4 lanes road of this NH from Shillong which may not be feasible for construction of building as this could hamper the 4 lane development work of the road.

In view of the above, the proposal is not **recommended**.
