

### SITE INSPECTION REPORT

A proposal has been received by this office from **Shri. KB Gandhi, Executive Engineer, PWD Civil Division No: III (DP) of Dadra and Nagar Haveli** (User Agency) for diversion (under FCA-1980) of **0.684** Ha. of forest land for non forestry purpose. The subject envisages the use of forest land for **construction of Approach road from Karchond-Vansda Main Road to Umarmatha in Dadra and Nagar Haveli**. The site inspection of the land involved in the proposal has been done by me on dated 26/08/2017 along with the representatives of the User Agency and the Range Forest Officer, Southern Range, Dadra and Nagar Haveli.

On inspection of the site, it is found that the land required by the user agency is a forest measuring 0.684 Ha. The requirement of forest land as proposed by the user agency in Col. 2 of part-I is unavoidable and is the barest minimum required for the project.

The status of the land is Reserved Forest and there is no tree felling required during construction of Road. During the inspection, there was no endangered/endemic flora and fauna found in the forest proposed for diversion.

Also, the user agency has not violated the provisions of Forest (Conservation) Act, 1980 and no work has been started without proper sanction.

Hence, this proposal for diversion of 0.684 Ha forest land for the purpose of laying of pipeline for Water Supply Scheme in Kauncha and Jamalpada in Dadra and Nagar Haveli **is hereby recommended.**

Place : Silvassa.  
Date : 03/10/2017.

  
S. Dinesh Kannan  
Deputy Conservator of Forests  
Dadra and Nagar Haveli.
