(For the Forest land to be diverted under FCA)

A proposal has been received by this office from X.En. P.W.D. Division, Sikar for diversion (under FAC-1980) of 6.35ha. of Protected forest land of Harshnath Forest block, Range Sikar, Division Sikar for non forestry purpose. The subject envisages the use of forest land for Diversion of 6.35 ha. of forest land for renewal, Widening & Strengthening of Sikar-Harsh Road. The site inspection of the land involved in the proposal has been done by me on dated 09.11.2017

On inspection of the site, it is found that the land required by the user agency is a forest measuring 6.35 ha. of Protected forest block Harshnath of Range Sikar. This road is Proposed in 10 M width and 6350 M length. In this road, user agency XEN, PWD, Sikar has Proposed hard rock cutting of 4021 cum material. User agency has given undertaking that they will obtain 1327 cum. Stone having amount Rs. 597150 /- from hard rock cutting. User agency has given undertaking for deposit this amount as per MOEF/state forest deptt. directions and dispose the remaining waste outside forest land.

So this amount Rs. 597150 /- should be deposited by user agency and dispose remaining unusable 2694 cum waste outside the forest area obtained from hard rock cutting.

The requirement of forest land as proposed by the user agency in Col. 2 of part-I is unavoidable and is barest minimum required for the project.

Any rare/ endangered/ unique species of flora and fauna are not found in the area.

Any protected archaeological/ heritage site/ defence establishment or any other important monument is not located in the area.

The user agency has not violated the provisions of Forest (Conservation) Act, 1980 and no work has been started without proper sanction.

(a) Presently User agency has not violated the Forest (Conservation) Act, 1980 and no work has been started without proper sanction. .

(b) This road will connect religious & tourism important Place Harsh parvat, Harshnath temple to Jeenmataji temple, villages Aantri, Harsh and City Sikar. It is public utility work. Hence this diversion proposal is recommended.
