

**OFFICE OF THE DIVISIONAL FOREST OFFICER
NORTH KAMRUP DIVISION, RANGIA.**

SITE INSPECTION REPORT OF THE DCF.

(Gopeswar Stone Quarry no. 7)

The proposed site has been physically inspected by me on 15-11-2017. The proposed site for an area of 1.0 Ha. out of 225.00 ha. of total area & verified the below mentioned GPS coordinates of Gopeswar RF under North Kamrup Division, Rangia, Kamrup District, Assam.

GPS coordinates	
Latitude N.	Longitude E.
26° 18' 59.80"	91° 43' 32.00"
26° 19' 03.10"	91° 43' 32.10"
26° 19' 02.90"	91° 43' 35.70"
26° 18' 59.60"	91° 43' 35.50"

The area is totally degraded forest having no tree growth. No suitable non forest land in nearby area is seen available for collection of stone. The proposed site is full of rock and situated adjacent to the Reserve Forests boundary. So, de-reservation of forest land for approach road etc is not required.

The proposed site is not part of any protected area and not included in archaeological / heritage site or defence establishment. No rare / endangered / unique species of flora & fauna is available in the area.

The proposed site is suitable for opening of a stone quarry for mining stone without affecting any human habitation.
