

PART-III

(To be filled by the concerned Conservator of Forest)

<p>14. Whether site, where the forest land involved is located has been inspected by concerned Conservator of Forests (Yes/No). If Yes, the date of inspection & observation made in form of inspection note be enclosed.</p>	<p>The proposed area for mining, comes under Pandana and Mahuatand protected forest, notified vide notification no. 5151 VIF/191/50R, Dated 17.11.1950. The area of the protected forest proposed for diversion in Pandana P.F Plot no. 57 is 1.60 acre and in Mahuatand P.F Plot no 130 is 4.65 acres, in total 6.25 acres in area. The area was inspected with R.O.F Rajauli and other sub-ordinates field officers on 13.04.2017. There is no tree on the proposed site. The area proposed for diversion is avoidable unless the rock pertaining to the area is unavailable in nearby non-protected forest areas. The agency has not proposed any alternative site for mining. However a mining lease has already been granted in the vicinity of the proposed area, which has made area vulnerable to erosion and may cause deep sedimentation in lower reaches of river.</p>
<p>15. Whether the concerned Conservator of Forest agree with the information given in Part-B and the recommendations of Deputy Conservator of Forests.</p>	<p>I agree with the informations furnished and recommendations made by the Deputy Conservator of Forests, Nawada in part-II.</p>
<p>16. Specific recommendation of concerned Conservator of Forests for acceptance or otherwise of the proposal with detailed reasons.</p>	<p>The user agency has not violated the prescribed provisions of the Forest Conservation Act as well as Indian Forest Act, The proposal for diversion of forest land is avoidable unless there is non availability of stone type in nearby other non forest areas. The user agency has also not proposed land for compensatory afforestation. Hence with necessary conditions & directions the proposal may be allowed.</p>
